## ATHLETIC FACILITIES AT THE MOUNT

The Mount provides its students with athletic fields and the Harrington Center, a modern two-level student union with a running track, gym, fitness center, and food court. During the 2003-2004 academic year, the Mount began its Campus Expansion Plan, which includes athletic fields to accommodate more Mount teams on campus for practice and home games.

The Mount's East Fields on Delhi Road, which have been the home field for women's soccer, have been expanded into a game field and running track with seating for up to 2,400 spectators. The new Sports Complex gives the Mount Lions' football team its first home field on campus since 1990. It also provides a home field for women's soccer, men's soccer and lacrosse teams for men (2007) and women (2009). The track serves the Mount's track & field teams and additional facilities house the Mount's academic program in athletic training, as well as locker rooms and concessions. The Campus Expansion Plan also included the renovation of nearby College property into practice fields. The Lions' softball team began playing home games at the new River Road softball field in 2007.

The Mount Lions' baseball team plays home games at Midland Field, one of Cincinnati's finest baseball facilities for teams and spectators.

The Harrington Center, which opened in 1998, contains two full courts for Lions volleyball and basketball as well as the full range of Mount intramural teams. The Harrington Center also features a specially surfaced indoor running track; courts for racquetball, squash and walleyball; fitness center; weight training; athletic training; and locker facilities.

The Mount's west campus field, the J. Page Hayden Athletic Field, is the location for the Mount's field events during track & field meets and is a practice field for the Lions' Roar Marching Band. The Mount also provides lighted tennis courts for intercollegiate and intramural teams.

The Mount men's golf team's home course is Miami Whitewater Forest Golf Course in Harrison, Ohio. The course is a par-72, 6,808-yards course with a rating of 72.3 and a slope of 125.

## A MESSAGE FROM THE PRESIDENT

### Sister Francis Marie Thrailkill, Ed.D.

Welcome to the College of Mount St. Joseph and Lions country. We are proud to be the home of HCAC Division III competition in Greater Cincinnati so that the community can enjoy exciting competition among student athletes who are dedicated to their sport and their studies.

A Mount education is about preparing for life academically, professionally, personally, and spiritually. Students have the opportunity to play in 21 competitive sports at the Mount as well as to join marching band and over 40 clubs and organizations. They take courses in smaller classes where professors advocate learning and interaction. Cooperative education, service learning and cultural/global immersion involve students in life experiences and social responsibility. Students are the heart of the community we enjoy at the Mount, and our student athletes appreciate your attendance and support.

Please visit the Mount again for more exciting HCAC Division III excitement, and visit our Web site at [www.msj.edu](http://www.msj.edu) for listings of the events and programs offered throughout the year.

Enjoy the game!

Sincerely,

Sister Francis Marie Thrailkill, Ed.D.

## MOUNT ATHLETICS DIRECTOR

### Steve Radcliffe

Steve Radcliffe enters his 13th year as the Lions' athletic director for the 2007-2008 school year, and he looks forward to another outstanding season of athletics at the Mount.

The Lions' volleyball team captured the HCAC Championship this past fall and advanced to the Conference Championship game. The Mount football team finished as runner-ups in the HCAC regular season and

qualified to their fourth straight NCAA Division III playoffs.

Women's soccer also advanced to the HCAC Semifinals while the men's soccer team enjoyed their best season to date.

In addition, there were plenty of other highlights, both individually and team-wise, for the Mount's athletic programs this past fall.

Radcliffe has long been a part of the sports programs at the Mount. A retired athletic trainer, Radcliffe began his athletic training career in 1976 and was hired to implement the Mount's first academic program for athletic training in 1989. In addition, Radcliffe has been the Lions' head athletic trainer, working with athletes from all the intercollegiate sports, as well as teaching athletic training at the College.

Radcliffe, who received his bachelor's degree in 1978 and his master's in physical education in 1981 from Miami University (Ohio), became the Mount's athletic director in 1995. Upon entering the position, Radcliffe stressed the importance of upholding the College's stellar reputation of academics and athletics as a positive influence in student life and development at the Mount.

Steve and his wife, Darlene, have two children, Victoria and Michael. The Radcliffes live in Delhi.

## 2008 OUTLOOK

The Mount looks to improve on last season's solid overall finish and seventh placing at the HCAC Championship this season. The talented play of last year's first-year golfers make for a bright future. The addition of three new golfers figures to help the Lions complete a much better season this year.

Head coach Joe Sparhawk returns for his fourth season as the Mount's head golf coach. Rounding out this year's coaching staff is former Mount golfer A.J. Hoffmann, who graduated from the Mount last winter and was one of the team's top golfers last year.

Last season, the Mount had an up-and-down year. The season ended with a seventh place finish in the HCAC championship and closed out what Sparhawk called a frustrating season for the Lions. The one high point of the season came at the Mount Invitational I in which they captured their first-ever invitational victory. This season, the Lions goal is consistency at all times.

"The big thing we need to improve on is consistency," Sparhawk says. "I need to be able to count on guys shooting certain scores. Last year was an improvement from the year before, but I need more of the same from these guys if we are going to compete for the conference championship. The spring season is short and we don't have time to have a bad round or a bad tournament."

According to Sparhawk, this year's returning golfers Chris Lamb, Neil Skirvin and Michael Whalen are all looking to make a big impact in 2008. Lamb was the Mount's top golfer last season leading the Lions at almost every event and is projected to be the Mount's top golfer again this year. After missing most of last season due to illness, Steve Pence plans to reclaim his spot as one of the top golfers on the team as well. The team's newcomers, including Kyle Vollmer and Nick Barlow, will add depth and stability to the team.

With many tough teams in the conference, winning this year's HCAC title for the Lions could prove to be a difficult job. Transylvania appears to be the top team once again while Franklin and the rest of the teams within the conference also look to field very competitive teams. Despite the tough conference, Sparhawk is optimistic about the qualities he sees in his team this season.

"This is the hardest-working team I have ever had at the Mount," Sparhawk states. "I think their determination and perseverance will carry over into the season. I expect much improvement from last year's team."

## COACHING STAFF

### Head Coach Joe Sparhawk

Joe Sparhawk begins his fourth season as the Mount's golf coach. He led the program to a Mount school-best sixth place finish at the 2006 HCAC Championships, and has directed team's to seventh (2007) and eighth (2005) place conference finishes.

Coach Sparhawk is a member of the GCAA (Golf Coaches Association of America), USGA (United States Golf Association) and is a two-time winner on the Golf Channel Amateur Tour. He is also the Mount's co-Director of Intramurals.

In addition to his duties as head golf coach, he also coached for six seasons with the College's football team. Sparhawk held a graduate assistant position with the Mount for three years, assisting the team's offense. He was the team's quarterback coach in 2003 and the wide receiver coach in 2004 and 2005. In 2005 and 2006 as offensive coordinator, Sparhawk helped direct the Lions football team to back-to-back 9-2 records and HCAC championships. Sparhawk graduated from the Mount in 2001 with a bachelor's degree and obtained his master's degree in sports administration from Xavier University in 2003.

Coach Sparhawk's 2007 Mount golf team broke many individual and team records during the season. The Lions also claimed their first-ever invitational title in men's golf with a first place finish at the College of Mount St. Joseph Invitational I.

Sparhawk played quarterback for the Mount for four seasons. He is a member of the Southwest Ohio Football Coaches Association and the National Strength and Conditioning Association. He and his fiancée, Tiffany, reside in Cheviot, Ohio.

### Assistant Coach A.J. Hoffmann

A.J. Hoffmann joins the Mount's coaching staff for his first season. Hoffmann, a December of 2007 graduate of the Mount, who graduated with an accounting degree, played golf for Mount Head Coach Joe Sparhawk in 2007, finishing with the team's third-best 18-hole average. He also played three years of baseball for the Lions. Hoffmann is a LaSalle High School graduate. He plays semi-pro baseball for the Cincinnati Chiefs and also coaches fifth grade boys' basketball.

Hoffmann works at The Gym in Carew Tower, Cincinnati, Ohio, and also resides in Cincinnati.

## MOUNT IN THE HCAC

This is the sixth year of competition for the Mount in the Heartland Collegiate Athletic Conference. All HCAC schools, excluding Bluffton University, compete in men's golf with the HCAC Championship at season's end.

The Lions placed eighth in 2003, among eight HCAC teams in the conference tournament, which was won by Franklin College for the second straight season. Anderson University led after the first day of action but was overtaken by a strong Franklin squad in day two for the championship. Ben Chandler led the Mount individually with a 28th place finish. Four of the Mount's five returning golfers competed in the HCAC Championship.

The Mount placed eighth at the 2004 HCAC Tournament. All eight of the conference schools participated in the tournament. Franklin College claimed the title, while Bluffton took second. E.J. Engelkamp led the Lions, tying for tenth place with a two-day score of 156.

The 2005 Lions placed eighth in the HCAC Tournament, which was won by Franklin. The Mount did not receive a team score because they only had two players participate in the tournament. In the two-day event, Ken Stamm led the Lions with an overall score of 222 and Casey McMahan scored an overall 240.

In 2006, the Mount recorded a sixth place finish in the HCAC Championship, recording a team score of 734. Franklin claimed its fifth straight HCAC title, outdistancing number two Transylvania by 10 strokes. Steve Pence turned in the best score for the Lions, finishing 27th overall with a 173.

Chris Lamb led the way for the Mount in 2007 at the HCAC Championship, placing 18th individually. The Lions, however, slipped a spot to seventh in the team standings from last season's finish. That was, however, their second-best finish as a team in their fifth year of HCAC Championship play. Transylvania claimed the team championship.

## Become a “Pillar of Support” and Help Celebrate the Mount Lions’ Home Field

Did you know that your name can be permanently displayed at the Mount’s Sports Complex? For your gift of \$1,000, a durable, solid bronze nameplate will be engraved and affixed to one of the pillars supporting the stands at Schueler Field.

Parents, grandparents, alumni, athletes, coaches, and all Lions’ sports fans are invited to consider this special opportunity. It’s a great way to show your Mount spirit and support our student athletes.

Look for the nameplates already installed on two pillars below the center bleachers, close to the walk-up from Midland Plaza.

Join others and become a Pillar of Support. Visit [www.msj.edu/about/giving/buildingexcitement](http://www.msj.edu/about/giving/buildingexcitement) or call the Development Office at (513) 244-4871 to request a brochure.
