## College Profile

What is the College of Mount St. Joseph educational experience? It's learning through action – serving others, graduate-level research, paid co-op positions, and leadership development. It's a Catholic liberal arts education that helps you develop the knowledge to make a difference and the integrity to lead others.

The foundation of a Mount education comes from career-minded academic programs combined with dedicated support services and a 11:1 student-to-faculty ratio. New programs include a major in interactive media design & computing as well as minors in coaching and Spanish. The Academic Exploration Program, the Learning Center and personal advising are a few examples of the support that is available to help you achieve your academic goals.

At the Mount, you're encouraged to take your lessons outside of the classroom, into the community. Through the Service Learning Program, students earn academic credit while volunteering to feed the hungry, building homes for Habitat for Humanity, or comforting the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. The Cooperative Education program, available for all majors, is a way for students to gain valuable, paid career experience while validating their choice of a major.

Student-athletes are among the Mount's most active leaders on campus. Competing in the Heartland Collegiate Athletic Conference, the Mount fields more than 20 NCAA Division III sports teams. The newest lineup, men's volleyball, begins in spring 2010. Students also participate in 30 student-run clubs and organizations including Student Government Association, Black Student Union and MSJ Lions Band.

The Mount is committed to working with students to explore all financial aid options, especially eligibility for financial assistance including scholarships. In 2008-2009, 99 percent of full-time freshmen received some sort of gift aid; more than 10 million dollars in grants and scholarships were received by Mount students.

Numerous Fortune 500 and Fortune 1000 companies are headquartered in Cincinnati. Procter & Gamble, The Kroger Company, and Fifth Third Bank, among others, contribute to Cincinnati's foundation while Cincinnati Children's Hospital Medical Center is among the nations' top children's hospitals. Mount Cooperative Education students are hired by more than 100 hospitals, businesses and nonprofit organizations of Greater Cincinnati.

Boasting a vibrant commitment to the arts, Cincinnatians enjoy the Contemporary Arts Center, Cincinnati Art Museum, Aronoff Center, Cincinnati Playhouse in the Park, Music Hall, and a varied supply of art galleries. Mount students often incorporate Cincinnati's art exhibits and performances into their studies.

Cincinnati knows sports. The Cincinnati Reds, the Major League Baseball team, and the Cincinnati Bengals, of the National Football League, provide competition, entertainment and emotion for the city's sports fans. Co-op and volunteer opportunities with these organizations are often available to Mount students. Cincinnati is also home to the Flying Pig Marathon every May and the Master's and Women's Open tennis tournament every August.

Historical neighborhoods such as Mount Adams, Clifton and Over-the-Rhine make good architectural and cultural adventures, while additional entertainment options are just across the Ohio River in Newport, Covington and Mainstrasse of Northern Kentucky.

## Mission in Action

The College of Mount St. Joseph is a Catholic academic community grounded in the spiritual values and vision of its founders, the Sisters of Charity. At the heart of the Mount's mission and heritage is an emphasis on ethical leadership through service. Ethical leadership

celebrates the return of virtue, character and personal honor to their rightful place as the foundation of education. This commitment inspires the College's interdisciplinary liberal arts and professional curricula, which equips students to live with integrity, to promote justice, and to seek the truth in their professions and communities.

Service opportunities complement academics and student life while fostering a culture of learning informed by charity. In the Service Learning Program, students apply classroom knowledge while volunteering in social and environmental settings to feed the hungry, build homes for Habitat for Humanity and comfort the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. In serving others, students cultivate a greater understanding of social problems, an appreciation for the cultural diversity of other people, as well as a commitment to volunteerism and an understanding of its connection to citizenship.

Campus Ministry infuses all aspects of faith into the Mount's culture and celebrates spiritual exploration. Faith sharing programs, Mass, retreats, and other planned events help awaken and deepen an awareness of God's love and presence within the campus community. Inspired by Catholic social teaching, Campus Ministry encourages students to identify their gifts and to use them for the common good through activities such as Pizza and Ponder, Homelessness Awareness Week, and 30-Hour Famine.

## 2010 Season Outlook

The Lions take a trip into uncharted waters this coming lacrosse season. Joining the newly formed Midwest Lacrosse Conference (MLC), which consists of Adrian College, Fontbonne University, Trine University, Carthage College, Albion College, Milwaukee School of Engineering, and the Mount. Head Coach Pat Kennedy makes no attempt to disguise his goals for this year's team – which include finishing the year with an above .500 record, and to win the Midwest Lacrosse Conference (MLC).

Leadership is an important issue on every team and Coach Kennedy thinks the Lions have more than enough players who are ready and willing to take on leadership positions.

"We have many leaders this season," Kennedy states. "On the attack end of the field, senior Anthony Pezzutti will be in his fourth year starting for the Mount. There will be two freshmen starting beside him, so he will lead by example. In the midfield, captains Neal Barnes and Taylor Samuel look to anchor both of the offensive midfield lines. Senior Matt Worth will look to dominate the face-off as he continues his role as our number one face-off midfielder. Defensively, seniors Taylor Hibbs and Anthony Hunter will be in charge of the close defense and the defensive midfield lines respectively."

Kennedy feels the team has additional strengths coming into the season.

"Our strengths this season will be senior leadership," he adds. "It is the first senior class that we've had here for lacrosse. Their experience and knowledge will help out in the games and at practice. The younger players have a lot of great players to look up to and emulate. We will also be strong at the defensive end. We have three returning starters anchoring the defense, and they must step up and protect our freshman goalie Zach Thomas."

The Mount's third-year head coach said that he is expecting to start quite a few freshmen this season, as well, but expects them to grow up fast.

Among other top returners for the Mount include their leading scorer, Anderson Morgan, who had 34 goals and a total of 48 points, and is

expected to draw a lot of attention at the midfield position. Senior Neal Barnes is also expected to have a great year, after totaling 16 goals for the Lions in 2009. Chris Uselmann was the Lions second -leading scorer last season with 16 goals and 25 points overall and he will be heavily counted on again this spring. Taylor Hibbs and Dan Blair also look to make a difference on the defensive side of the field in 2010.

Coach Kennedy also expects big things from underclassmen and the first-year players. Freshman Will McClanahan should have an outstanding year; according to Coach Kennedy McClanahan is one of the biggest recruits in the Mount's history. Conner White is coming off of knee injuries but is expected to play a big part in the Lions offensive scheme. Midfielder Cory Wojciechowski looks to compete with Uselmann as the best ground ball man on the team.

Coach Kennedy takes pride in how tough the Mount's schedule is on a year-to-year basis. This season is nothing different for the Lions, who are playing teams that are routinely ranked among the top 25 in the nation.

"I try to schedule very tough opponents every year," Kennedy adds. "Our toughest games will be Denison, Ohio Wesleyan and Lynchburg. These teams are usually in the top 20 every season, and make the NCAA Tournament. They are well-established programs with great coaches. I think we learn a lot by playing those teams. Every game will be a battle this season. There are no easy games on the schedule."

Coach Kennedy is very excited for the upcoming season here at the Mount. He has high expectations and goals for his team and has plenty of faith in their preparation and skill level that these goals are attainable.

"I expect our team to hustle and play hard every play of every game" Kennedy says. "That is a quality that I can always count on. I know that if we take care of our own business, then the wins will come easily. We don't worry about our opponent too much."

## HEAD COACH PAT KENNEDY

Pat Kennedy returns for his third season as the Lions' head coach. He was an assistant during the team's inaugural season in 2007. Kennedy was hired in July 2006.

Coach Kennedy came to the Mount with a wealth of lacrosse coaching and playing experience. A 2001 graduate of Division I Syracuse University, Kennedy was an attack man for the Orangemen. He competed in the lacrosse NCAA championships from 1998-2001 and was a member of the Syracuse national championship team in 2000. He graduated from Syracuse with a bachelor's degree in psychology.

In high school, Kennedy was a 1997 graduate of Moeller High School in Cincinnati, Ohio, where he was selected a lacrosse All-American in 1997, First-Team All-Ohio and All-Midwest selection from 1995-1997. He also

holds the career scoring mark at Moeller. After college, Kennedy competed in post collegiate club lacrosse action where he was named the Midwest Cities Lacrosse Conference Player of the Year in 2003 playing for a team in Chicago. He was drafted in 2006 and played for the Chicago Machine of the Major League Lacrosse professional team.

Kennedy coached high school lacrosse locally in Cincinnati for two years and one year in Boston. He was the varsity assistant coach for Moeller High School in 2006, helping his team to be the top-rated team in Cincinnati, and directing the team to the state Final Four. Pat was also the head varsity coach for Summit Country Day High School in Cincinnati, Ohio from 2004-2005 where his team finished second in the Ohio High School South 2A Division. Pat was also the assistant coach for Catholic Memorial High School in Boston, Mass., from 2003-2004.
