College Profile

What is the College of Mount St. Joseph educational experience? It's learning through action – serving others, graduate-level research, paid co-op positions, and leadership development. It's a Catholic liberal arts education that helps you develop the knowledge to make a difference and the integrity to lead others.

The foundation of a Mount education comes from career-minded academic programs combined with dedicated support services and a 11:1 student-to-faculty ratio. New programs include a major in interactive media design & computing as well as minors in coaching and Spanish. The Academic Exploration Program, the Learning Center and personal advising are a few examples of the support that is available to help you achieve your academic goals.

At the Mount, you're encouraged to take your lessons outside of the classroom, into the community. Through the Service Learning Program, students earn academic credit while volunteering to feed the hungry, building homes for Habitat for Humanity, or comforting the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. The Cooperative Education program, available for all majors, is a way for students to gain valuable, paid career experience while validating their choice of a major.

Student-athletes are among the Mount's most active leaders on campus. Competing in the Heartland Collegiate Athletic Conference, the Mount fields more than 20 NCAA Division III sports teams. The newest lineup, men's volleyball, begins in spring 2010. Students also participate in 30 student-run clubs and organizations including Student Government Association, Black Student Union and MSJ Lions Band.

The Mount is committed to working with students to explore all financial aid options, especially eligibility for financial assistance including scholarships. In 2008-2009, 99 percent of full-time freshmen received some sort of gift aid; more than 10 million dollars in grants and scholarships were received by Mount students.

Numerous Fortune 500 and Fortune 1000 companies are headquartered in Cincinnati. Procter & Gamble, The Kroger Company, and Fifth Third Bank, among others, contribute to Cincinnati's foundation while Cincinnati Children's Hospital Medical Center is among the nations' top children's hospitals. Mount Cooperative Education students are hired by more than 100 hospitals, businesses and nonprofit organizations of Greater Cincinnati.

Boasting a vibrant commitment to the arts, Cincinnatians enjoy the Contemporary Arts Center, Cincinnati Art Museum, Aronoff Center, Cincinnati Playhouse in the Park, Music Hall, and a varied supply of art galleries. Mount students often incorporate Cincinnati's art exhibits and performances into their studies.

Cincinnati knows sports. The Cincinnati Reds, the Major League Baseball team, and the Cincinnati Bengals, of the National Football League, provide competition, entertainment and emotion for the city's sports fans. Co-op and volunteer opportunities with these organizations are often available to Mount students. Cincinnati is also home to the Flying Pig Marathon every May and the Master's and Women's Open tennis tournament every August.

Historical neighborhoods such as Mount Adams, Clifton and Over-the-Rhine make good architectural and cultural adventures, while additional entertainment options are just across the Ohio River in Newport, Covington and Mainstrasse of Northern Kentucky.

Mission in Action

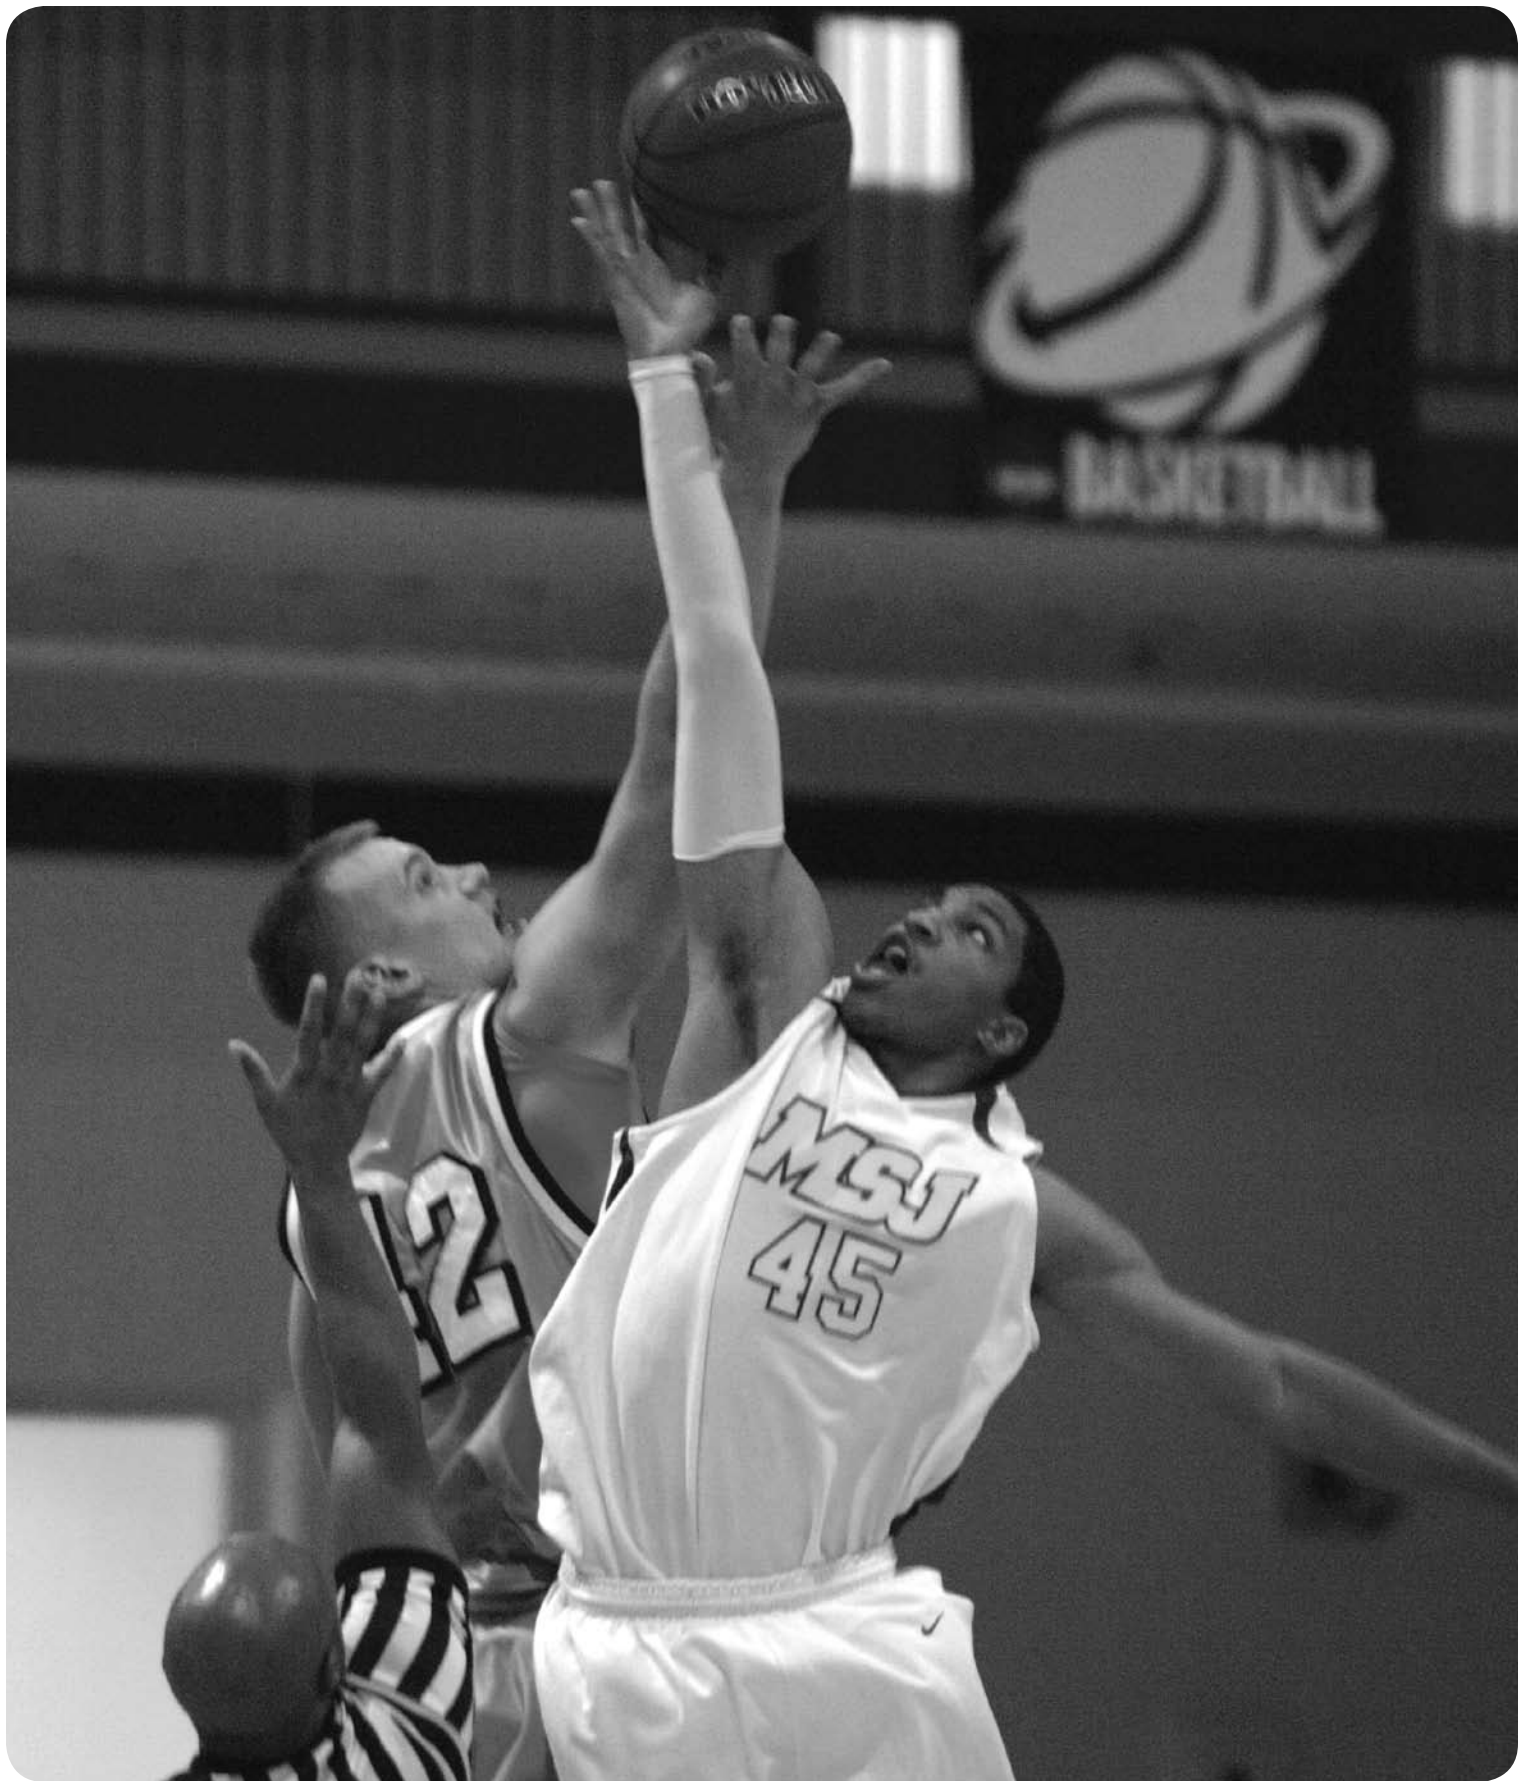

The College of Mount St. Joseph is a Catholic academic community grounded in the spiritual values and vision of its founders, the Sisters of Charity. At the heart of the Mount's mission and heritage is an emphasis on ethical leadership through service. Ethical leadership

celebrates the return of virtue, character and personal honor to their rightful place as the foundation of education. This commitment inspires the College's interdisciplinary liberal arts and professional curricula, which equips students to live with integrity, to promote justice, and to seek the truth in their professions and communities.

Service opportunities complement academics and student life while fostering a culture of learning informed by charity. In the Service Learning Program, students apply classroom knowledge while volunteering in social and environmental settings to feed the hungry, build homes for Habitat for Humanity and comfort the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. In serving others, students cultivate a greater understanding of social problems, an appreciation for the cultural diversity of other people, as well as a commitment to volunteerism and an understanding of its connection to citizenship.

Campus Ministry infuses all aspects of faith into the Mount's culture and celebrates spiritual exploration. Faith sharing programs, Mass, retreats, and other planned events help awaken and deepen an awareness of God's love and presence within the campus community. Inspired by Catholic social teaching, Campus Ministry encourages students to identify their gifts and to use them for the common good through activities such as Pizza and Ponder, Homelessness Awareness Week, and 30-Hour Famine.

2009-2010 Season Outlook

This year's Lions look to make up for what was a rather disappointing season last year, going 6-19 overall with a 2-14 record in the HCAC. Despite the non-winning season by the Mount during the 2008-2009 basketball season, Head Coach Larry Cox is confident that the Lions have what it takes to compete this winter.

"We feel like last year was an aberration, but we have to live with that record and certainly wanting to atone for a poor season is strong motivation for us," Cox says.

Among the top returners for the Mount this season that are expected to contribute greatly are four seniors. Michael Romes, the Mount's all-time leading scorer, looks to add to that record in this upcoming season. In the 2008-2009 season, Romes averaged 32 minutes of playing time each game, contributed 18 points per game, and just fewer than seven rebounds per game, while starting all 25 games. Travis Huffman received Honorable Mention All-Conference last season along with putting up 12 points and almost three assists per game as well as starting all 25 games. Kyle McCord also received Honorable Mention All-HCAC, scoring just over seven points per game and leading the team in blocked shots. The fourth senior, Mike Mechler, who averaged 4.5 points, 2.5 steals and 2.3 rebounds per game, also returns. Cox refers to Mechler as the glue that keeps us all together.

Even though the Lions will look initially to their seniors for leadership they will not name a captain until just before the season gets under way. The reasoning behind waiting to name a captain is simple according to Coach Cox.

"We are not naming our captains until right before the first game because we wanted to see who would emerge during off-season workouts, weight training, and pre-season conditioning to take that leadership role," Cox says. "Right now, we have a lot of players buying in to what we're asking of them and that has been extremely pleasing."

The overall season outlook looks optimistic for the Mount, and Coach Cox remains confident that the Lions have what it takes to achieve their goals.

"Talent-wise, I feel we're able to stand up to anyone in the conference," Cox adds. "As it does a lot of times, with the margin of error so small in the

this conference, you have to be physically and mentally tough enough to put forth 100 percent effort every single game or you're going to get beat. If you can do that, (stay mentally tough), wins will take care of themselves and you'll be in position to compete for the HCAC title."

As far as depth goes Coach Cox believes this year's squad has as much or more depth than many he's had in the recent past.

"This is probably one of the deeper teams we've had in a few years," Cox says. "The experience that last year's freshmen and sophomores got was invaluable in preparing them for the upcoming season."

Coach Cox also believes that the Mount will in fact be so deep this year that several really talented players will not see much playing time just because of the overall talent the Lions possess as a team. Cox adds that the Lions' first-year players are fiery and competitive in nature, along with being talented and hard workers. Finding playing time for all of them on the varsity team during the season will be a challenge for Cox and his coaching staff this winter.

"I feel we're in a position where we don't have to rely on first-year players with the guys we have coming back," Cox states. "However, everyone is aware that the best players will play regardless of what year in school they are, so if they're ready to take on that challenge and can help us be successful then we'll put them in there, just as we have in the past."

Cox said the Mount coaching staff does not pick individual games out from the schedule and label them "must win." In fact they see every game as a must-win game, preparing the same whether their opponent is undefeated or winless on the season.

"In our book, they're all must-win games, especially in a year where you're trying to redeem yourself," adds Cox.

While the Lions are always looking to improve, the morale of this year's team is high and the attitude is one of dedication and hard work. These traits are what are needed in order turn around the Mount's program and come in with a winning season.

2009-2010 Coaching Staff

HEAD COACH LARRY COX

Larry Cox begins his 12th season as the only men's basketball coach in the history of the Lions' program. He started the program in 1998 and his team finished with a winning record in its inaugural season. Over the past nine seasons he has built the Mount program into a solid, competitive team and is looking to take the next step this year for the top spot in the Heartland Collegiate Athletic Conference. In 2006-2007, the Lions led the conference for most of the year before suffering one-point losses late in the season, but still finished with their second straight winning season. Coach Cox is also entering his sixth year as the Mount's assistant athletic director.

Coach Cox's first head coaching position came in the 1990 season at Thomas More College as he inherited a program that had not had a winning season in a decade and during his coaching tenure he turned the program around - finishing with four straight winning seasons. He compiled an overall record of 96-95 and was named AMC Coach of the Year in both the 1994-95 and 1995-96 seasons, while also leading his school to the AMC regular season and tournament championships.

Prior to his tenure at Thomas More, Cox was the associate head coach from 1983-1989 at St. Joseph's College (Indiana), an NCAA Division II

program, where he helped lead the program to an average of 16 wins a season in the tough Great Lakes Valley Conference, which includes perennial powerhouses Kentucky Wesleyan, Southern Indiana and Northern Kentucky.

Coach Cox also spent two seasons as a graduate assistant at NCAA Division I Bowling Green State University (Ohio) in 1981-82 and 1982-83. During the first season the Falcons were conference runners-up and in the second season they won the Mid-American Conference outright finishing with a 21-9 record. For two seasons, from 1979-1981, he was an assistant at Hanover College (Indiana), where the school averaged 24 wins a season, won two Hoosier-Buckeye Conference Championships and advanced to the Elite Eight in the NAIA National Tournament.

Coach Cox holds a Bachelor of Arts in History degree from Hanover College (Indiana) and a Master of Arts in History degree and a Master of Education in Physical Education degree from Bowling Green State University (Ohio). He has taught classes at Bowling Green State University, St. Joseph's College, Thomas More College, and the Mount. During his tenure as a head coach, every player who has completed their four years of eligibility has their degree.

Mount in the HCAC

This will be the 12th season for the Mount's men's basketball team in the Heartland Collegiate Athletic Conference (HCAC). Other institutions that are also members of this conference include: Anderson University, Bluffton University, Defiance College, Franklin College, Hanover College, Manchester College, Rose-Hulman Institute of Technology, and Transylvania University.

In 1998, the first year for the Mount's basketball program as well as the first year of HCAC play, the Lions went 5-9 in the conference, which put them in sixth place out of eight teams. Jarett Young was named Freshman of the Year and gained an Honorable Mention All-Conference award. Joe Toney also received an All-Conference Honorable Mention award for his efforts during the season.

The Mount greatly improved in the 1999-2000 season. The Lions were 6-6 in conference play and won their way into the final four of the tournament where they lost in overtime to the champion, Franklin College. Jarett Young was on the All-Tournament team for his contribution during the post-season. Other Lions received acknowledgement for outstanding play. Jared Franz and Joe Toney were named All-Conference while Young was named All-Conference Honorable Mention. Joe Toney also was named Player of the Week twice during the season.

The Lions tied for fifth place in the HCAC with five wins and seven losses in the 2000-01 season. The Mount was actually in first place with about two weeks to play but slipped in the standings and finished as the seventh and last seed in the post-season conference tournament. The Lions' season came to an end in the first round with a loss to Hanover, 73-69. Junior forward Jared Franz was selected All-Conference while junior forward Steve Bain was chosen Honorable Mention All-Conference.

The 2001-2002 campaign was a season marked by milestone achievements for two players. Seniors Joe Toney and Jarett Young both scored their 1,000th career point. Steve Bain was named First-Team All-Conference and was also a Player of the Week. Young received an All-Conference Honorable Mention award. The Mount lost in the first round of the tournament but placed fifth in the regular season team standings, recording a 5-9 mark.

The Lions began the 2002-2003 season winning three of their first four conference games and were 5-3 before suffering six straight HCAC losses. The Mount defeated second-place Anderson University and fourth-place Defiance College during the regular season. After losing to HCAC-foe Manchester College at home to end the regular season, the Mount bounced back to defeat the Spartans on the road in the first round of the tournament. Tom Luther, who finished second in the conference in rebounding, was a two-time HCAC Player of the Week winner and also made All-Conference. Chris Washington was also selected to the All-Conference team.

In 2003-2004, the Mount played competitively throughout most of the HCAC campaign, despite posting a 4-10 conference mark. Their wins included triumphs over Manchester and Anderson, as well as Defiance and Bluffton (back-to-back). The Mount also lost two games in overtime, to Anderson and Transylvania. They did, however, win three of their last five regular season HCAC games and suffered a one-point loss to Defiance in the HCAC Tournament. Seniors Tom Luther and E.J. Engelkamp collected conference post-season awards. Luther was sixth in the conference in scoring, while senior teammate Matt Volkerding was first in rebounding and third in blocked shots.

The Mount began the 2004-05 conference slate with two straight wins and played well at home, finishing 4-3 in conference play. The Lions, however, recorded a 1-6 road record in the conference, winning only at Defiance College. After that win, the Mount dropped four straight HCAC match-ups to slip to 5-9 in the conference.

They dropped a six-point decision in the first round of the HCAC Tournament to eventual runner-up Franklin College. The Lions finished third as a team in blocked shots and tied for first in steals. Kevin Darthard, who was named First Team All-Conference, was fifth in the HCAC in scoring average and field goal percentage. Derrick Jones was selected Honorable Mention All-HCAC.

In 2005-2006, the Lions had one of the most successful seasons in the program's history. Winning six of their first seven games to start the season, the Mount finished 16-11 overall and 8-6 in the tough HCAC. Finishing fourth in the HCAC regular season, the Lions were the number four seed and hosted their conference tournament opener, beating number five seed Manchester, 67-55. However, their season would end in the conference semifinals, when they lost to the seventh-ranked team in the country, Transylvania, 83-79. Leading the way for the Mount were seniors Kevin Darthard and Derrick Jones, who were voted First team All-Conference. Other notable HCAC accomplishments included juniors Robbie Noschang and Tony Blomer being named Honorable Mention All-HCAC.

The Lions started out slowly in the conference in 2006-2007, going 1-2 but then ran off a five-game win streak to up their record to 6-2. The Mount was in the thick of the conference race for first place the rest of the season, but was hurt by two close losses down the stretch – an overtime loss to Defiance and a one-point defeat to Bluffton.

Their 9-7 record was tied for the third-best in the conference, but the Mount was denied the fourth and final HCAC Tournament spot on the tie-breaker system. Michael Romes was selected Freshman of the Year and First Team All-HCAC while teammate Tony Blomer was also a First Team All-Conference selection. Romes led the conference in field goal percentage while Blomer paced the HCAC in blocked shots. Teammates Jeff Perry and Michael Eirons both made Honorable Mention All-HCAC.

The Lions had a rough start to the 2007-08 conference season, losing their first four HCAC games, but bounced back to win two of three at after that. Last year's win total in the HCAC also included a victory over conference champion Defiance. The Mount was fifth in points per game and fourth in field goal percentage while several individual Lions' players made their mark in HCAC games. Michael Romes was second in points per game, and fifth in rebounds per game and shooting percentage, while teammate Michael Eirons ranked in the top 11 in four different statistical categories in conference action. Josh Carter led the conference in assists per game and was fourth in free throw accuracy. Romes was selected First Team All-HCAC for the second straight season while Mitchell Goldschmidt, Eirons and Carter were each chosen Honorable Mention All-Conference. Romes also picked up an HCAC Player of the Week award.

While the Mount only captured two conference wins during the 2008-09 season, they did play competitively in a number of HCAC games, losing nine games by 10 points or less, including four games by four points or less. One big win during the HCAC season was the team's one-point home win over Bluffton University, who finished with the third-best record in HCAC play. The Lions were fifth in both the team defense field goal percentage and team defense three-point field goal percentage categories, and fourth in assists and steals. Michael Romes, who was named First Team All-HCAC, was second in the conference in points per game, fourth in rebounds per game, and seventh in steals per game. Chris Cioffi was fourth in three-point field goal percentages while teammates Kyle McCord and Travis Huffman were each selected Honorable Mention All-HCAC.
