## College Profile

What is the College of Mount St. Joseph educational experience? It's learning through action – serving others, graduate-level research, paid co-op positions, and leadership development. It's a Catholic liberal arts education that helps you develop the knowledge to make a difference and the integrity to lead others.

The foundation of a Mount education comes from career-minded academic programs combined with dedicated support services and a 10:1 student-to-faculty ratio. New programs include a major in interactive media design & computing as well as minors in coaching and Spanish. The Academic Exploration Program, the Learning Center and personal advising are a few examples of the support that is available to help you achieve your academic goals.

At the Mount, you're encouraged to take your lessons outside of the classroom, into the community. Through the Service Learning Program, students earn academic credit while volunteering to feed the hungry, building homes for Habitat for Humanity, or comforting the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. The Cooperative Education program, available for all majors, is a way for students to gain valuable, paid career experience while validating their choice of a major.

Student-athletes are among the Mount's most active leaders on campus. Competing in the Heartland Collegiate Athletic Conference, the Mount fields more than 20 NCAA Division III sports teams. The newest lineup, men's volleyball, begins in spring 2010. Students also participate in 30 student-run clubs and organizations including Student Government Association, Black Student Union and MSJ Lions Band.

The Mount is committed to working with students to explore all financial aid options, especially eligibility for financial assistance including scholarships. In 2008-2009, 99 percent of full-time freshmen received some sort of gift aid; more than 10 million dollars in grants and scholarships were received by Mount students.

# Cincinnati Spotlights

Students of the College of Mount St. Joseph greatly benefit from the rich heritage and traditions of Cincinnati. While the College is situated 15 minutes west of downtown, employment, arts and entertainment are never too far away.

Numerous Fortune 500 and Fortune 1000 companies are headquartered in Cincinnati. Procter & Gamble, The Kroger Company, and Fifth Third Bank, among others, contribute to Cincinnati's foundation while Cincinnati Children's Hospital Medical Center is among the nations' top children's hospitals. Mount Cooperative Education students are hired by more than 100 hospitals, businesses and nonprofit organizations of Greater Cincinnati.

Boasting a vibrant commitment to the arts, Cincinnatians enjoy the Contemporary Arts Center, Cincinnati Art Museum, Aronoff Center, Cincinnati Playhouse in the Park, Music Hall, and a varied supply of art galleries. Mount students often incorporate Cincinnati's art exhibits and performances into their studies.

Cincinnati knows sports. The Cincinnati Reds, the Major League Baseball team, and the Cincinnati Bengals, of the National Football League, provide competition, entertainment and emotion for the city's sports fans. Co-op and volunteer opportunities with these organizations are often available to Mount students. Cincinnati is also home to the Flying Pig Marathon every May and the Master's and Women's Open tennis tournament every August.

Historical neighborhoods such as Mount Adams, Clifton and Over-the-Rhine make good architectural and cultural adventures, while additional entertainment options are just across the Ohio River in Newport, Covington and Mainstrasse of Northern Kentucky.

## Mission in Action

The College of Mount St. Joseph is a Catholic academic community grounded in the spiritual values and vision of its founders, the Sisters of Charity. At the heart of the Mount's mission and heritage is an emphasis on ethical leadership through service. Ethical leadership

celebrates the return of virtue, character and personal honor to their rightful place as the foundation of education. This commitment inspires the College's interdisciplinary liberal arts and professional curricula, which equips students to live with integrity, to promote justice, and to seek the truth in their professions and communities.

Service opportunities complement academics and student life while fostering a culture of learning informed by charity. In the Service Learning Program, students apply classroom knowledge while volunteering in social and environmental settings to feed the hungry, build homes for Habitat for Humanity and comfort the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. In serving others, students cultivate a greater understanding of social problems, an appreciation for the cultural diversity of other people, as well as a commitment to volunteerism and an understanding of its connection to citizenship.

Campus Ministry infuses all aspects of faith into the Mount's culture and celebrates spiritual exploration. Faith sharing programs, Mass, retreats, and other planned events help awaken and deepen an awareness of God's love and presence within the campus community. Inspired by Catholic social teaching, Campus Ministry encourages students to identify their gifts and to use them for the common good through activities such as Pizza and Ponder, Homelessness Awareness Week, and 30-Hour Famine.

## 2009 Season Outlook

While the 2008 season saw the College of Mount St. Joseph Lions slip from the lofty heights above the Heartland Collegiate Athletic Conference standings that they were used to in recent seasons, the team nonetheless learned some valuable lessons and gained some good experience going through it.

The Mount finished the 2008 season with a 5-5 overall mark, and were 3-4 in the HCAC, losing all four conference games by a total of 19 points, including a one-point loss to Anderson University as time expired. The Lions won the HCAC from 2004-2006 and made the NCAA Playoffs from 2004-2007.

Head Coach Rod Huber said while the record last season was not where he or the team wanted it to be, the Mount overcame numerous key injuries and faced challenges during the season that he hopes will pay off in a big way this season. Three starters were lost to injury for the year in the team's 2008 opener, and eight players overall, who were either starters or key backups, were lost in the first five weeks of the season.

"We had a lot of young kids play last season and they got valuable experience," says Huber, who enters his 10th season as head coach. "As a coaching staff we figured out what we could and could not do, too.

Our offensive and defensive lines grew up as the season advanced. I think our coaches did a great job to push the kids through difficult circumstances with the close losses we had."

For the Lions to get back to where they have been in the recent past – with the plus .500 records, conference titles and NCAA appearances – Huber believes they'll have to be more consistent in their plays and execution. He is proud, though, of the fact that the Mount has recorded six straight seasons of .500 or better records. The Lions also led the conference last season with only 156 points allowed. Franklin, which clinched its second straight HCAC title last fall, defeated the Mount 40-35.

"A .500 record (5-5) is not acceptable to us," Huber states. "We want an opportunity to make a run at a conference title this season and the kids are excited about coming back this fall and improving.

We think this season's team has a chance to be in every game, but we'll have to compete hard on every play and bring our A-game each week."

### Coaching Staff

The Lions have a good mix of experienced college coaches and newcomers on their staff. Offensively, Vince Suriano, the team's assistant head coach, returns for his third season as the offensive coordinator, while Dick Nocks (OL) and Ron Woyan (RB/ST) are also back. Newcomers to the offensive staff are Joel Lauer (WR), Eric Doll (TE), and Tim Woyan (Offensive Assistant).

"We have a good mix of coaches this season," adds Huber. "They've put a lot of time into adjusting packages and working with the players. They have simplified things for the offensive line and have continued to improve what we did well last season.

Offensively, this is the third year of the true, no-huddle spread offense (under Suriano) and we'll have few more weapons at running back this fall under coach (Ron) Woyan. We want to be the top rushing team in the HCAC. All the offensive coaches spent a lot of time in the spring, at training camp and in workouts getting things in."

Defensively the Mount will have a new offensive coordinator Brad Phillips. Phillips coached the team's linebackers last season and will welcome back Pat McAtee (DL), Bob Crable (LB), Rico Hill (Def. Asst), and Kyle Prosser (LB) on the defensive side. Tony Acito (DL), and Justin Roden (DB/ST) join the staff this fall.

"Our defensive coaches did a great job with the players in the off-season and it should show this season," Huber says. "We've installed a philosophy of an attacking defense and moving players around in different formations and looks to create mismatches.

We've challenged our defensive players to be the best run-stop defense in the conference and be one of the best tackling teams in the HCAC."

The Mount led the conference last fall in pass efficiency defense, total defense and pass defense.

## HCAC

While the conference coaches picked the Lions to finish as runner-ups to Franklin College in the HCAC Preseason Coaches Poll, Huber thinks the race for the top spot in the HCAC might be wide-open.

"We think we have a good chance to compete for a conference championship," Huber states. "Franklin, Anderson and Rose-Hulman all have good players back, and the ability to compete for a championship. The conference is competitive and we look forward to the challenge of every team in our conference. We need to play one game at a time to be successful."

Huber says the team relishes the idea of being the one that will do the chasing this season, as opposed to the past when the Lions were in the top spot the season before and had the onus of upholding that high expectation.

## Recruiting

The Mount entered fall practice with 135 players in camp and had 121 on their roster after their August 29 scrimmage. Among the 135 players were 64 newcomers (freshmen and transfers). The team hired Mount alum and former linebacker Kyle Prosser late in the summer as their first ever recruiting coordinator.

"Kyle Prosser will be in charge of every facet of our recruiting, evaluating players through DVD, looking at transcripts," Huber says. "It's a big plus for us to have someone in that position and we're excited to have Kyle doing it. He'll also take over our junior varsity team, which will have at least five games again this coming season."

The coaching staff recruited a large athletic group of newcomers, including many at skilled positions, such as running back, defensive back, receiver and linebacker. That influx of new players has added better team speed and size to the team's roster as Huber feels that group will be ready to contribute to the varsity squad in two years.

The Lions' head coach says while the Mount's main focus of recruiting will always be the tri-state area, the team has players on the roster again nationally, with states such as Florida, Georgia, Missouri, New York, and California represented on the roster.

"We want student-athletes from all over the United States to come here to go to school and play because of our facilities and our academic programs," Huber states. "We want to win the Greater Cincinnati/Queen City area, and branch out locally and regionally from there. We've once again hit hard areas like Indianapolis, Dayton, Lexington, Louisville, and Columbus."

## Spring Football

The Lions had over 75 players in the spring football program, and turned in 13 workouts in April. Huber said the time allowed Phillips and Suriano to add some new schemes to the Mount's play-calling.

"The spring practices are big for us," Huber says. "We got a ton of conditioning in, found some new spots for some players and added some new things for our offense and defense."

Overall, I was pleased with how the spring went, with the attendance, and what the players and coaches got done. It allowed us to be ready for fall training practice."

## Offense

Suriano says for the team to be more successful this season on offense they'll have to get back to rushing the ball more effectively, which will keep the offense out of second and long and third and long play calling.

"We've tweaked a few things in the running game which we think will help our offensive line," Suriano states. "We want to rush for at least 2,000 yards this season and be more consistent on offense."

While the team's starting quarterback position is open this fall, and that competition includes returner Patrick Tresey, running backs Jake Davis and Noah Joseph are back to aid a strong rushing attack. Davis, a Second Team

All-Conference member, led the team with 718 yards and 11 touchdowns, while Joseph had 235 yards, including 6.0 yards per carry. Fullbacks Rob Domaschko and Nathan McGee are also back and are key to the run game.

While injuries took their toll on the offensive line in 2008, the Mount does return solid core of players who have college experience and are expected to lead the way this fall. That group in the trenches includes First Team All-Conference honoree Anthony Walsh, Rob Bowman, Kory Bailey, Chris Harrison, Jarod Stolly, Joe Noble, and Nathan Dilts.

Jake Watters and Rob Blundred also provide solid blocking at the tight end spot for the Mount and will be viable targets in the passing game.

Three of the team's top four wideouts, Derick Tabar (29 receptions, three TDs), Brad Sersion and Mike Zies, are back this fall along with Jeremy Brinck and Mike Russell. Steve VonHertsenberg adds depth to a solid receiving group. Tabar was an Honorable Mention All-HCAC selection last fall.

"I have taken some plays out and added some plays to our playbook this season," Suriano says. "I think our young players will be improved and we're looking at getting back to where we have been offensively. If we can stay healthy, we think we'll do well this season."

Our players went through a lot of adversity last season and they're a mentally-tough, close-knit group. We've got a lot of solid players who can do some things this fall."

## Defense

Phillips says the Lions' 2009 defense will be a multiple-front formation, running a base 4-3 front and complemented with odd-man front packages. He and Huber both expect the team to do more attacking than they have in the recent past.

"Our defensive goals this season are for the us to simply be the best defense in the conference and help our offense in obtaining an HCAC Championship," Phillips says. "The defense's individual goals are to lead the conference in fewest yards allowed per game, and fewest points allowed."

To strength of the team's defense this season looks to be in their defensive front. First Team All-HCAC player Alex Harbin leads that group. Among others that return on the defensive line are Rob Fox, Steve Ehrnschwender, Brett Hambrick, and Randall Mitchell. Harbin had 50 tackles last season, including a team-high tying four sacks.

The team's linebackers look solid again in 2009, led by First Team All-HCAC member Erik Prosser and Vince Smith. Maxx Kavish and others also are back in those spots and look to provide support in the front seven. Prosser is the top returning tackler this season, after recording 71 stop last season, along with two interceptions.

In the secondary, the Lions will be led by Cory Hardin, Juan Helvey, and Ryan Smithmeyer, Chris Perry, and Mark Grieshop. Depth will be provided by other returners, many of who saw time on the JV squad last fall. Helvey had two interceptions and 29 tackles last season.

"This year's defensive group came out of the hardest training camp in years and showed exceptional leadership and talent," Phillips adds. "We have set the bar extremely high for them and we expect great results this year."

## Special Teams

The Lions have their top two placekickers back from last season, Joe Vortkamp and Brian Weimer. Vortkamp, who handled the majority of the kickoff duties in 2008, attempted only two field goals last season but was four-of-five on extra points. Weimer made 24-of-27 extra point attempts and was three-of-five in field goal attempts, giving him 33 points.

Vortkamp also handled the team's punting duties in 2008, averaging 31.5 yards per kick, including a long punt of 49 yards. He had seven punts inside the opponent's 20-yard-line.

Tabar was the team's leading punt returner last fall, averaging 4.1 yards per return on a team-high 11 returns. Joseph averaged a team-best 19.7 yards on six kick returns.

# 2009 Coaching Staff

## HEAD COACH ROD HUBER

Rod Huber returns in 2009 for his 10th season as the Lions' head coach. Huber, who directed the team's defense in 2007-08, has 26 years of coaching at the high school and college level and has been on the Mount football staff since the program's inception in 1990. Coach Huber led the program to a third straight HCAC championship in 2007, and the Lions finished 5-5 overall last season, their seventh straight season of a .500 or better record. The Mount is also the only team in HCAC history to record three straight conference titles.

The 2007 HCAC title enabled the Lions to return to the NCAA Division III playoffs for the third straight season, as they took on Wheaton College in the first round. The Mount had 15 players selected all-conference (best in the conference), the HCAC Offensive Most Valuable Player and the HCAC Defensive co-Most Valuable Player. The Lions also had one of the top overall and rushing defenses in the nation again last season. In addition, the Mount was ranked among the top teams in 2006 in various national polls. Huber is a two-time HCAC Coach of the Year and has the most wins of any Mount football coach in program history, sporting a 41-32 record.

Under Huber's direction in 2004, the Lions went 10-0 during the season, won the HCAC, and qualified to their first NCAA post-season game, playing against Wheaton College. The Lions, after a 2-18 mark in Huber's first two years, posted five straight seasons of a .500 or better, including going 28-5 the last three years. Over that three-year span, the Mount is 28-2 in the regular season and 18-1 in conference play.

Prior to becoming the third head coach in Lions' football history in 2000, Huber was a defensive position coach and spent four years as the Lions' defensive coordinator. He also coached the College's wrestling program for four seasons. During the 1999-2000 season the team garnered Heartland Collegiate Athletic Conference Tournament and NCAA Division III Midwest Regional championships. Huber was named conference and regional Coach of the Year that season.

Huber has continued to build upon the concept of the "student-athlete" philosophy set by past Lions' head coaches John Pont and Ron Corradini, Sr. Huber oversees the entire program with an emphasis on academic success, recruiting and retention of all football players.

Huber also has strong ties to the Cincinnati community and oversees his players' involvement in community service projects. In 2002 the players helped build homes for Habitat for Humanity, which was featured in the NCAA News. In 2003 the Lions were part of a neighborhood clean-up program in Delhi Township. The past three years Coach Huber and his players have volunteered and ran youth football camps at St. Elizabeth Seton in Milford, Ohio. Coach Huber also serves as the director of summer inter-city youth football camps for ProCamps Worldwide.

Coach Huber played football and wrestled at Glen Este High School in Cincinnati, Ohio. Upon graduation he entered the United States Army, where he played football and spent time in Germany and the U.S. After leaving the Army, Huber enrolled at the University of Cincinnati where he obtained a bachelor's degree in social studies education in 1988. He began his coaching career at Lloyd Memorial High School (Kentucky) in 1982, moved on to Glen Este for one season (1986) and later coached outside linebackers at C.A.P.E. High School (1987-1988).

Coach Huber received his master's degree in education from the Mount in 1999. Coach Huber is an active member in the Southwest Ohio Football Coaches Association (SWOFCA), the American Football Coaches Association and is a member of the Jason Foundation. He also runs youth football camps and clinics in the Cincinnati area every year. Huber has been the featured speaker at many events in the Cincinnati area and he serves as an advisory board member for the Boys and Girls Clubs of America (Clermont County). The Lions head coach also speaks at regional and national football events. Hobbies he enjoys include playing the guitar, gardening and fishing.

He and his wife, Sandy, have four children: Jillian, Jake (deceased), Jenna, and Jessica. The Hubers reside in Amelia, Ohio.

## 2008 Season in Review

**September 6:** **Jake Davis** scored on two short touchdown runs and back-field teammate **Noah Joseph** rushed for 96 yards on 11 carries to lead the Mount to a 21-7 home victory over Wilmington College in the 2008 opener for both teams.

Davis got the Lions on the scoreboard with 13:04 to play in the second quarter when he rushed in from one yard out. **Joe Vortkamp** added the PAT kick for the Mount. Wilmington, however, would tie the game at 7-all just over two minutes later when quarterback Billy Blackburn hooked up with Jeremy Stuckey on a 13-yard TD pass.

Mount quarterback **Vince Palmer** put the Lions ahead with just 35 seconds remaining in the first half when he teamed with **Tim Meiner** on an 11-yard pass play. Vortkamp kicked the PAT again and the Lions took a 14-7 lead into the locker room.

Neither team was able to generate much offense in the second half, before Davis scored on a four-yard run with 6:19 to play in the game, capping a 14-play, 87-yard, drive that took 5:25 off the clock. Vortkamp added his third PAT of the game for a 21-7 Mount advantage.

The Lions finished with 221 yards on the ground as **Tyrone Jones** chipped in 82 yards on 19 carries and Davis finished with 44 yards rushing. Palmer was 22-of-39 for 313 yards, and one TD, while being sacked only

once. Meiner led all receivers with six receptions for 138 yards while **Derick Tabar** and **Mike Zies** had five receptions each. **Rocky Siegel** led the Mount with seven tackles while **Nick Yahl** had an interception. The Mount's pass defense held the Quakers to nine-of-35 passing for 120 yards, one TD and one interception. The Lions had 26 first downs to Wilmington's 11 first downs and recorded 534 total yards to their opponent's 184.

**September 13:** **Vince Palmer** tossed two touchdowns and ran for another as the Mount blanked Lakeland (WI) College on the road, 20-0. The Lions went to 2-0 on the season.

Palmer tossed a six-yard TD pass to fullback **Ben Widolff** in the first quarter to get the Lions on the scoreboard. The Lions' senior quarterback raced in from eight yards out with 6:09 to play to put his team up 13-0 before finding receiver **Derick Tabar** on a 30-yard TD pass play with just under five minutes left in the game to close the scoring.

The Lions defense was stout throughout the game, holding the Muskies to 23 yards rushing and 108 yards passing in the first-ever meeting between the two teams. Lakeland quarterback Billy Hughes was 12-for-40 and threw four interceptions, while also being sacked four times. **Rocky Siegel** led the Mount with 14 tackles while teammate **Patrick Truster** had two sacks. The Mount also forced and recovered three Lakeland fumbles.

## 2008 Season in Review (CONTINUED)

Offensively, **Tyrone Jones** had 44 yards rushing to lead the Mount ball-carriers, while Palmer finished 13-of-27 for 186, two TDs and two interceptions. Tabar had a team-high three receptions for 45 yards.

**September 27:** The Mount hosted Rose-Hulman Institute of Technology on John Pont Tribute Night, and fell by a 26-21 score. The Engineers had taken a 14-7 lead early in the second quarter but the Mount tied the game at 14-all on a **Tyrone Jones** three-yard TD run. The two teams traded touchdowns again and with the score at 21-all in the fourth quarter, Rose-Hulman scored the go-ahead and eventual game-winning touchdown on a two-yard TD run.

**Jake Davis** led the Mount with 102 yards rushing and a touchdown run while Jones had 49 yards rushing on just eight carries. **Mike Zies** caught a 14-yard TD pass from **Vince Palmer**. **Rocky Siegel** led all defensive players with 13 tackles.

Rose-Hulman produced 421 yards of total offense to the Mount's 268 yards and held the advantage in possession time, 41:04 to 18:56.

**October 4:** The Lions bounced back from their week three loss, riding a strong rushing attack and a sound defense as they won at Bluffton University, 50-7. The 50 points scored were the third-most ever by a Lions team while the 43-point margin of victory was the second-best in school history.

The Lions scored all eight times they entered the red zone, and rolled up an impressive 489 yards of total offense to Bluffton's 143. The Mount jumped out to a 30-0 halftime lead, thanks to three TD runs by **Jake Davis**. Davis finished the game with 79 rushing as the Mount totaled 303 yards on the ground on 60 rushes. The Mount added three more TDs runs in the second half. **Noah Joseph** led all ball-carriers with 87 yards and had a TD while **Tyrone Jones** added a touchdown. **Vince Palmer**, who completed 15-of-23 passes for 151 yards, tossed a nine-yard TD pass to **Tim Meiner** to open the scoring in the game.

Meiner led all receivers with seven receptions for 70 yards. Bluffton scored their lone points in the third quarter on a 45-yard TD pass. The Mount held the edge in first downs, 33-5 and time of possession, 37:23 to 22:37. They also converted 10-of-17 third down plays while holding the Beavers to one-of-11 on third down. Bluffton had 24 rushes for 31 yards in the game. **Rocky Siegel**, **Kevin James** and **Steven Ehrnschwender** had five tackles each as the Mount subbed liberally throughout the game.

**October 11:** Anderson University's Tristan Cork booted a career-best 46 yard field goal with six seconds remaining as the Ravens knocked off the Lions at Schueler Field, 10-9. The Mount fell to 3-2 overall, 1-2 in the HCAC while Anderson improved to 3-2, 1-1.

The Lions got on the scoreboard first today when **Brian Weimer** made a 26-yard field goal with 7:15 to play in the first quarter. Anderson then pulled ahead 7-3, thanks to a seven-yard TD run and a PAT kick with 3:28 left before halftime. Both teams' defenses would bend but not break in the scoreless third quarter until the Mount forged ahead, 9-7 on a **Jake Davis** 11-yard TD run with 7:55 to play in the fourth quarter. The Lions got off a bad snap and hold on the conversion as the PAT kick was not attempted, but still held a 9-7 advantage.

On the Mount's second-to-last possession of the game, they drove down to the Anderson 34-yard line where they were faced with a fourth-and-five. Lions quarterback **Vince Palmer** quick punted as the Mount downed the ball at the Ravens one-yard line. Anderson then put together the drive of the game, behind a strong rushing attack, moving to the Mount 29-yard-line setting the stage for Cork's eventual game-winning field goal. Cork had missed two other field attempts earlier in the game, both from 41 yards.

Davis finished with 67 yards rushing while Palmer was 14-of-23 for 158 yards and two interceptions. **Tim Meiner** led all receivers with six receptions for 72 yards. **Erik Prosser** had eight tackles to pace the Mount.

Anderson out-gained the Lions in yards, 316-276. The Mount held the edge in possession time, 33:14 to 26:46 and third-down conversions, six-of-17 to the Ravens' four-of-14.

**October 18:** The Mount used a potent rushing attack, a solid effort against their opponent's rushing game, and registered a conference record-setting performance by their entire defense, en route to a 37-19 win at HCAC-rival Hanover College.

Jake Davis recorded his second, 100-yard rushing game of the season, gaining 118 yards on the ground on 18 carries. Davis had two rushing TDs in the game, with his second one in the third quarter, a 19-yard run - and following PAT kick by Brian Weimer - putting the Mount up by a 30-0 score. Overall, the Mount rushed for 213 yards. With the Lions playing a lot of second and third-string player throughout the second half, the Panthers scored three unanswered touchdowns to cut the deficit to 30-19 with just over four-and-a half minutes left in the game.

Davis added his second TD late in the game, and Weimer converted the PAT kick, to give the Mount a final margin of 37-19 on the scoreboard. The Lions' defense proved stout against the Hanover rushing game, holding the Panthers to eight net yards rushing on 21 carries. The Lions also intercepted Hanover quarterback Nick Sharp seven times, including twice in the end zone. Nick Yahl had three interceptions for the Mount while teammate Ricky Stautberg led the defense with nine tackles. The seven interceptions by the Lions' defense was an HCAC record.

The Mount's Vince Palmer was 20-of-33 for 261 yards and two touchdowns, throwing one scoring pass to Tim Meiner and one TD to Lauris Barnes. Meiner led the Mount with five receptions for 96 yards.

**October 25:** Visiting Franklin College, who jumped out to a 26-7 lead at the half and held a 26-point lead at one point of the game, withstood a furious Mount third quarter comeback as they downed the Lions in Homecoming 2008, 40-35. The Mount went to 4-3 overall, 2-3 in the HCAC while Franklin improved to 6-1, 4-0.

The Grizzlies got off to a great start today, as they scored on five of their first six possessions - all in the first half. During that span, Franklin College had three TDs and two field goals, to jump out to a 26-0 lead. Franklin quarterback Chad Rupp ran an efficient offense, tossing two TDs during that stretch. The Mount finally got on the scoreboard with 47 seconds left in the first half when **Vince Palmer** tossed a six-yard scoring pass to tight end **Scott Shear**.

Franklin extended their lead to 33-7 early in the third quarter before the Mount scored on two straight possessions, cutting the deficit to 33-21. Palmer tossed his second TD of the game, this time a nine-yarder to **Tim Meiner** and **Phil Poetter** returned an interception 14 yards for another score. Franklin answered those two scores with a 78-yard TD strike from Rupp to Kevin Lynch, putting his team up by a 40-21 with 3:06 left in the third quarter.

Palmer tossed two TDs in the fourth quarter - giving him four on the day - as the Mount fought to get control of the game. **Derick Tabar** had a 32-yard score while Meiner recorded an 18-yard scoring reception with 3:55 to play to cut the disadvantage to 40-35. That is how the game would end as Palmer tossed an interception on a desperation pass at the end of the game into Franklin territory.

Franklin out-gained the Lions in total offense, 430-407 yards. **Jake Davis** led the Mount with 93 yards rushing while Palmer finished 17-of-32 for 232 yards, four TDs and three interceptions. Tabar had a game-high seven receptions for 135 yards. **Rocky Siegel** had nine tackles and a fumble recovery for the Mount.

**November 1:** The Mount ran an efficient offense and a shutdown defense as they rolled to a 28-6 win over Manchester College on Senior Day.

Before the game, the Lions honored 10 senior players. They were **Rocky Siegel, John Barbour, Ricky Stautberg, Phil Poetter, Nick Yahl, Ben Widolff, Joe Klump, Jeff Browning, Tim Meiner, and Kyle O'Brien.**

The Lions nearly doubled the output of the visiting Spartans in almost every significant statistical category, out-rushing their opponent 203-108 yards, out-passing them 128-48 yards and gaining 19 first downs to Manchester's seven first downs. The Spartans, however, did get on the scoreboard first, when Brandon Wells raced in from six yards out with 1:49 to play in the first quarter. Manchester, which missed the extra point, led until 4:36 left in the first half, when **Jake Davis** scored on a one-yard run, and **Brian Weimer** added the PAT kick to put the Lions up 7-6. Davis would carry 21 times in the game for 84 yards.

Mount back-up quarterback **Ben Hunterman**, in relief of starter **Vince Palmer** tossed a 49-yard TD strike to **Derick Tabar** with 41 seconds left in the opening half, and Weimer added the PAT kick, to put the Mount ahead 14-6 heading into the locker room. Manchester, which scored its touchdown on their third possession of the game, would close the half with four scoreless possessions, including a missed field from 40 yards.

Hunterman, who rushed for 50 yards and was 13-of-22 for 116 yards passing with one TD and one interception in the game, raced in from 20 yards midway through the third quarter. Weimer's kick made the score 21-6 in the Mount's favor. Davis' backfield mate **Tyrone Jones** finished the scoring with just over two minutes left in the game when he ran in from the three-yard line. Jones added 53 yards rushing in the game.

Tabar had a team-high three receptions for 57 yards and also ran 18 yards with a fumble recovery early in the game. The Mount's defense, which held the Spartans to 157 yards of total offense, and two-of-12 on third down, was led by **Erik Prosser**, who had 10 tackles and a sack, and Yahl, who collected eight tackles. **Juan Helvey** had an interception return of 22 yards. Manchester did not score on any of its six possessions of the second half.

**November 8:** Host Defiance College scored the go-ahead points on a 34-yard TD pass play with 4:07 left in the game and made it stand up as they defeated the Lions, 21-14. The Mount dropped to 5-4 overall and 3-4 in the conference, finishing with their first sub-.500 mark in the HCAC since the 2001 season when they went 0-6.

The game against the Yellow Jackets started out on a bad note for the Lions as they turned the ball over on their first possession. With Defiance taking control of the ball on the Mount 15-yard line, the home team didn't wait long to get on the scoreboard, scoring on a seven-yard TD run with 11:24 showing on the clock. After two, three-and-out possessions by the

Lions, and another turnover - this time a fumble - Defiance upped their advantage to 14-0 after they took over the ball on the Mount two-yard line and scored on the next play.

The Lions finally got on the scoreboard late in the first half when **Ben Hunterman** scored on a two-yard run with just eight seconds remaining in the opening half. After holding Defiance on its first possession of the second half, and gaining the ball at their own 36-yard-line, the Mount put together its best drive of the game, with **Jake Davis** capping a six-play, 64-yard, 2:31 drive by scoring on a two-yard run. **Brian Weimer** booted the PAT kick to tie the score at 14-all with 10:17 left in the third quarter. The key play of the drive was a 40-yard pass completion from Hunterman to wideout **Tim Meiner**.

Neither team was able to generate much offense the rest of the third quarter, and most of the fourth quarter, before Defiance's go-ahead score in the last quarter. The Lions went three-and-out on their next to last possession of the game and Hunterman was intercepted at the Mount 35-yard line on the last play of the game.

The Mount was held to 192 yards of offense, including 72 yards on the ground while Hunterman was 12-of-27 passing for 120 yards and two interceptions. **Brad Sersion** had a team-high five receptions. **Rocky Siegel** led the Mount with 13 tackles while teammate **Erik Prosser** chipped in 10 tackles. Defiance had 193 yards of offense in the game.

**November 18:** The Mount was held to 80 yards of offense, and host Thomas More College rolled up 234 yards rushing and 454 yards in all, as the Lions completed 2008 season play with a 19-0 loss to the Saints in the annual Bridge Bowl game. The Mount ended the season with a 5-5 mark.

The Lions had trouble getting their offense untracked against the Saints, as they saw all six of their first half possessions end a variety of ways, including a missed 33-yard field goal on their first drive. Thomas More capitalized on their first drive, connecting on a 24-yard field goal, and forced a safety to open the second quarter, grabbing a 5-0 lead in the game. Just under two minutes later the Saints upped their advantage to 12-0 when they scored on a 14-yard TD pass play. Thomas More completed the scoring during the day's play when they scored on a three-yard rushing play with 3:48 left in the third quarter.

The Mount ended five of their six second half possessions by punting, with four of those drives coming on three-and-out series. **Jake Davis** led the Mount with 42 yards rushing while **Vince Palmer** was 10-for-23 passing for 70 yards. **Erik Prosser** had a game-high 14 tackles while **Nick Yahl** chipped in nine tackles.

# Mount in the HCAC

The College of Mount St. Joseph has been a member of the Heartland Collegiate Athletic Conference (HCAC) since 1998. Other conference schools that compete against the Mount in football are: Anderson University, Bluffton University, Defiance College, Franklin College, Hanover College, Manchester College and Rose-Hulman Institute of Technology. After winning less than one-half of their games in the conference each season from 1998-2001, the Lions have been over .500 every season since, going 32-6 in HCAC play from 2002-2007.

In 1998, the first year in the conference, the Lions finished with a 2-5 record. Doug Anderson, Doug Nicholas and Mark Stewart were named First Team All-Conference while Mark Schorsch, Eric Seibert, Mike Lind, and Eddie Stewart all gained Honorable Mention status. Doug Anderson placed fourth in total rushing yards. John Flowers placed third in punt returns and fourth in kickoff returns.

The Lions ended the 1999 season with the same record, 2-5, as in 1998. The Mount rushed for 1,543 yards in 1999, which placed them first in rushing among the other six teams. Doug Anderson helped the Lions gain that title by rushing for 676 of those 1,543 yards, placing him second in rushing yards among all other players in the conference. Mark Schorsch scored seven touchdowns for the Mount and scored a total of 44 points. During this year, Doug Nicholas, Eddie Stewart and Brian Roemer were given the award of First Team All-Conference and Doug Anderson, Clint Kirker, Justin Roden, and Mark Schorsch were chosen Honorable Mention. 2000 brought about a 0-6 record, but the Lions had many accomplishments. The Lions were third in rushing with 827 yards, including 687 yards gained by Doug Anderson in conference games. Matt Goodwin and Anderson were named First Team All-Conference; Chad Corbin, Jeff Haynes, Bob Lehman, and Matt Sunderman were named Second Team All-Conference; and Corey Jones, Bart Stouffer and Jerry Thompson received Honorable Mention awards. Player of the Week awards were given to two Mount players: Anderson for offense and Jeff Haynes for defense during the week of September 16.

The Lions were winless in the conference for a second year in a row in 2001, posting a 0-6 record. The Lions, however, did record some solid numbers in the HCAC. The Mount defense placed third in rushing with 1,417 total yards, averaging 3.3 yards per rush. The Lions also placed third in total sacks with 27 for 176 lost yards. Chris Stoffran and Chad Corbin were named First Team All-Conference. Brooks Klosterman, Mike Holzinger, Pat McAtee, and Neil Nieberding were named Second Team All-Conference, and Joe Dollenmeyer, Paul Behling and Matt Goodwin received Honorable Mention distinction.

The Mount was the surprise team of the conference in 2002. Picked for sixth (out of the seven conference schools) in the coaches preseason poll, the Mount rolled off four straight conference wins to open the season and finished 4-2 in the HCAC - the team's first .500 or better record in their conference history. The Lions came in third in the HCAC, finishing behind Hanover and Anderson (preseason favorite). Ten players made one of the All-Conference teams (first, second or honorable mention) while Andy Wellendorf was selected Freshman of the Year and Pat McAtee was named Defensive Player of the Year. Head Coach Rod Huber was also chosen as HCAC Coach of the Year. Six different players received All-Academic status and six Mount players grabbed HCAC Player of the Week honors.

The Lions had another fine season in 2003. They took their second straight third place finish, ending with a 4-2 record with losses to Hanover and Anderson. The Lions also had ten players awarded All-Conference honors of either first, second or honorable mention. Senior Eric Johnson also won the Defensive Player of the Year award.

The 2004 season was an historic one for the Lions in the HCAC. The team breezed through the regular season unbeaten, 6-0, and recorded their first HCAC Championship, edging Hanover College by one game. The Lions

were led throughout the season by many different players, including wide receiver Andy Wellendorf and Matt Lawless, who each grabbed conference Player of the Year honors. Head Coach Rod Huber received his second HCAC Coach of the Year award, as he directed his squad to their first-ever NCAA Division III playoff appearance. Twelve Lions in all, including seven on the first team, were named All-Conference for their play. The Mount also grabbed 10 HCAC Player of the Week awards during the season. The Mount's defense allowed a conference-best 65 yards rushing per game.

In 2005, the Mount picked up right where they left off the year before. In another impressive season, the Lions once again plowed through the regular season, finishing with a record of 9-1 overall and a 5-1 record in the HCAC. It would mark their second consecutive outright HCAC Championship, a feat accomplished only twice before in conference history. A number of Lions had stellar individual years and the Mount saw fourteen players reach All-Conference status. Mike Lovell was named the 2005 HCAC Offensive Most Valuable Player and Kevin Koch won the HCAC Special Teams Most Valuable Player. The Lions received their second straight and second-ever bid to the NCAA Division III Playoffs.

The Mount claimed its third straight HCAC title in 2006, going 7-0 and outscoring conference teams, 172-55. Mike Lovell (offense) and Matt Lawless (co-defense) captured individual MVP awards in the conference while the Lions placed a conference-best 15 players on the first, second and honorable mention All-HCAC teams. The Lions were first in rushing offense, rushing defense and punting, as well as second in total defense, pass defense and turnover margin. Lovell placed first in rushing yards per game, nearly double the runner-up, first in points scored per game. The Lions also had six HCAC Player of the Week awards and had five student-athletes make academic All-Conference.

The Lions finished second in the HCAC in 2007, just one game behind Franklin College, who defeated the Mount, 28-19. The Mount had some outstanding statistics in conference games, finishing second in total offense, third in rushing offense, first in kick return average, first in total defense, first in pass defense, first in turnover margin, first in punt return average, and first in punting. Top three individual performances were turned in by Vince Palmer, who was third in the HCAC in passing yards per game (221.7), and second in pass efficiency (148.3). Kevin Koch was third in kick scoring points per game (5.1) while Neil Skirvin led the HCAC in putting at 40.9 yards per game. Joel Steinmetz was second in punt return average (9.1) while teammate Tyrone Jones was first in kick return average (28.7). Alex Harbin as second in sacks per game (1.42) while Ricky Stautberg was second in the HCAC with four interceptions.

Nick Yahl, Phil Poetter, Brian White, Marcus Pryor, Marshall Root, Harbin, and Stautberg were named First Team All-HCAC while Lion teammates Rocky Siegel, Kyle Prosser and Palmer were named Second Team All-HCAC. Kevin Cocanougher and Steinmetz were selected Honorable Mention All-Conference. Mike Jones, Stautberg, Harbin, Poetter, and Skirvin picked up conference Player of the Week honors in 2007.

The Mount slipped to sixth in the HCAC in 2008, four games behind Franklin College who for the second consecutive year won the conference. The four losses the Mount suffered in HCAC play were by a total of 19 points, including a one-point setback to Anderson University. The Lions ranked second in total defense, first in red zone offense, with an 86 percent conversion rate once in the red zone. The Lions also finished second in scoring defense and pass offense in the conference. Nick Yahl was second in the HCAC in interceptions with three, Vince Palmer ranked third in the conference in passing efficiency (125.7) also with a nearly sixty percent completion rate. Earning a spot on the All-Conference First Team for the Lions in 2008 were Tim Meiner, Anthony Walsh, Alex Harbin, Rocky Siegel, Erik Prosser, Ricky Stautberg, and Phil Poetter. Jake Davis and Nick Yahl were named Second Team All-HCAC, while Siegel and Yahl were named conference Players of the Week during the 2008 campaign.
