## College Profile

What is the College of Mount St. Joseph educational experience? It's learning through action – serving others, graduate-level research, paid co-op positions, and leadership development. It's a Catholic liberal arts education that helps you develop the knowledge to make a difference and the integrity to lead others.

The foundation of a Mount education comes from career-minded academic programs combined with dedicated support services and a 10:1 student-to-faculty ratio. New programs include a major in interactive media design & computing as well as minors in coaching and Spanish. The Academic Exploration Program, the Learning Center and personal advising are a few examples of the support that is available to help you achieve your academic goals.

At the Mount, you're encouraged to take your lessons outside of the classroom, into the community. Through the Service Learning Program, students earn academic credit while volunteering to feed the hungry, building homes for Habitat for Humanity, or comforting the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. The Cooperative Education program, available for all majors, is a way for students to gain valuable, paid career experience while validating their choice of a major.

Student-athletes are among the Mount's most active leaders on campus. Competing in the Heartland Collegiate Athletic Conference, the Mount fields more than 20 NCAA Division III sports teams. The newest lineup, men's volleyball, begins in spring 2010. Students also participate in 30 student-run clubs and organizations including Student Government Association, Black Student Union and MSJ Lions Band.

The Mount is committed to working with students to explore all financial aid options, especially eligibility for financial assistance including scholarships. In 2008-2009, 99 percent of full-time freshmen received some sort of gift aid; more than 10 million dollars in grants and scholarships were received by Mount students.

## Soccer Team Motto and Quote

"The world ain't all sunshine and rainbows  
It's a very mean and nasty place and I don't care how tough you are  
It will beat you to your knees and keep you there permanently if you let it

You, Me or Nobody is gonna hit you as hard as life  
But it ain't about how hard you hit  
It's about how hard you can get hit and keep moving forward  
How much you can take and keep moving forward

THAT'S HOW WINNING IS DONE!  
Now, if you know what you're worth  
Go ahead and get what you worth  
But you have to be willing to take the hits  
And not point fingers saying you ain't what you wanna be  
Because of him, her or anybody.  
Cowards do that and that ain't you

YOU'RE BETTER THAN THAT  
I'm always gonna care about you  
No matter what  
No matter what happens  
You are my TEAM, You are my Family  
YOU'RE ONE OF THE BEST THINGS IN MY LIFE  
But, until you start believing in yourself, you're not gonna have a life."

Rocky Balboa

"Try to be the best  
at whatever you do in life!"

# Cincinnati Spotlights

Students of the College of Mount St. Joseph greatly benefit from the rich heritage and traditions of Cincinnati. While the College is situated 15 minutes west of downtown, employment, arts and entertainment are never too far away.

Numerous Fortune 500 and Fortune 1000 companies are headquartered in Cincinnati. Procter & Gamble, The Kroger Company, and Fifth Third Bank, among others, contribute to Cincinnati's foundation while Cincinnati Children's Hospital Medical Center is among the nation's top children's hospitals. Mount Cooperative Education students are hired by more than 100 hospitals, businesses and nonprofit organizations of Greater Cincinnati.

Boasting a vibrant commitment to the arts, Cincinnatians enjoy the Contemporary Arts Center, Cincinnati Art Museum, Aronoff Center, Cincinnati Playhouse in the Park, Music Hall, and a varied supply of art galleries. Mount students often incorporate Cincinnati's art exhibits and performances into their studies.

Cincinnati knows sports. The Cincinnati Reds, the Major League Baseball team, and the Cincinnati Bengals, of the National Football League, provide competition, entertainment and emotion for the city's sports fans. Co-op and volunteer opportunities with these organizations are often available to Mount students. Cincinnati is also home to the Flying Pig Marathon every May and the Master's and Women's Open tennis tournament every August.

Historical neighborhoods such as Mount Adams, Clifton and Over-the-Rhine make good architectural and cultural adventures, while additional entertainment options are just across the Ohio River in Newport, Covington and Mainstrasse of Northern Kentucky.

## Mission in Action

The College of Mount St. Joseph is a Catholic academic community grounded in the spiritual values and vision of its founders, the Sisters of Charity. At the heart of the Mount's mission and heritage is an emphasis on ethical leadership through service. Ethical leadership

celebrates the return of virtue, character and personal honor to their rightful place as the foundation of education. This commitment inspires the College's interdisciplinary liberal arts and professional curricula, which equips students to live with integrity, to promote justice, and to seek the truth in their professions and communities.

Service opportunities complement academics and student life while fostering a culture of learning informed by charity. In the Service Learning Program, students apply classroom knowledge while volunteering in social and environmental settings to feed the hungry, build homes for Habitat for Humanity and comfort the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. In serving others, students cultivate a greater understanding of social problems, an appreciation for the cultural diversity of other people, as well as a commitment to volunteerism and an understanding of its connection to citizenship.

Campus Ministry infuses all aspects of faith into the Mount's culture and celebrates spiritual exploration. Faith sharing programs, Mass, retreats, and other planned events help awaken and deepen an awareness of God's love and presence within the campus community. Inspired by Catholic social teaching, Campus Ministry encourages students to identify their gifts and to use them for the common good through activities such as Pizza and Ponder, Homelessness Awareness Week, and 30-Hour Famine.

Mount 2008 Team

## 2009 Season Outlook

The Lions enter the 2009 season with high hopes and aspirations. First-year Head Coach Rudy Argueta wishes to emphasize teamwork which will in turn provide overall improvement. "We want to play as hard as we can and come off of the field not regretting anything," states Argueta. "We will play as a team and, winning or losing, we will give everything that we have."

Apart from teamwork, Argueta has set his sights on a winning season and placing in the top-four in the HCAC, which would secure the Lions an HCAC tournament berth. Leading the team this year will be senior Peter Cahall. Cahall has played in all fifty three games the Mount has played during his career. Cahall is an excellent defender who plays aggressive and is a hard tackler. Alongside Cahall will be the five other seniors, Chaz Roots, James Hall, Bill Mayhall, Luke Jacob, and Braden Schultz. The Lions are a young team who will rely on the experience these seniors can provide.

Despite the overwhelming number of underclassmen on this year's team, Coach Argueta thinks that the younger players will push the older guys that much harder to perform.

"I believe the harder they work the more it will pay off for the team," Argueta says. "I believe they (the newcomers) will be a big part of our program."

Coach Argueta's forwards will be leading the attack for the Lions this season. Sophomore Dustin Hinken, who led the team in assists in 2008, played in all eighteen games last season while starting sixteen of them. Roots, a senior, will also play a key part as a forward and will provide experience at the position. The Mount also has a large number of underclassmen who will be pushing for playing time. Freshman forwards seeking playing time include Nick Siko and Nick Groman.

The midfield has the top two returning scorers from last season in James Hall and Erik Jacob. Accompanying Hall and Jacob in the midfield is sophomore Tim Pope. All three players saw significant playing time for the Lions last season. Hall played in thirteen games and started twelve last fall. He brings the ability to score along with being unselfish with the ball. Pope started 13 games last season and will lend experience to the Lions midfield in 2009. Jacob played in all eighteen games during the 2008 season and has shown exceptional technique when working with the ball. The midfield also has a large group of underclassmen that will be expected to contribute for the Mount this season. In that group are juniors Jason Modafari, Jon Becker, Nick McDonald, Kris Freppon, and Mark Artmayer, all sophomores. Freshmen Jason Krupp, Lee Rogers, Gabe Abraham, Ben Barnes, and Shawn Damen are all looking to grab playing time, as well, this season.

The defense will be led by two of the more experienced players for the Mount. Cahall and Tommy Sunderhaus both started all eighteen games last season for the Mount.

"They are the heart of the team," says Argueta. "They work the hardest in practice and in games and they will help us become a better team and lead us to play the hardest every game."

Sunderhaus and Cahall both play very aggressive and will be utilized to stop the opponent's offensive attack. Also providing assistance for the Lions on the back line is junior Michael Lucien, sophomores Dan Blair, Brad Hudgins, Corey Dunn, and Benjamin Zimmerman; and freshmen Michael Brunner, Stewart Higgins and Ryan Petronio.

Max Hoffman, a junior, will give the Lions with a load of experience in the goal for the upcoming season, getting playing time in twenty one games over the last two years. Backing Hoffman up for the Lions will be freshmen Tyler Kenyon and Paul Orleck.

Coach Argueta believes that with teamwork and the right attitudes, this season can be a winning one for the Mount. He pointed out three games he sees as must wins - Union College, Transylvania University and Bluffton University. Wins over Transylvania and Bluffton will help the Lions achieve their goal of making the conference tournament. Argueta's squad is fairly deep this season, as he has upwards of seven players he expects to come off of the bench and contribute frequently. With the depth this team has along with the drive Argueta has instilled among the players this season, it should be season of improvement. Although lacking a clear cut offensive threat, the Lions plan on working as a unit and putting pressure on both sides of the ball.

"I do believe that we have a complete team this year," he states. "We have players coming in that will step up and fight for a starting position. They are hungry to get playing time, as well as to show that they can play college soccer this season."

"I feel that our soccer program does not have any respect from other soccer programs and I understand that because of our win-loss record from the past years," Argueta states. "We (our team) want to change that perception. Our attitudes have changed as well as our desire to play harder and compete."

From this point on, the theme of our program will be "HEART". I have talked to every player and let them know that I want players that will work hard and give a 110 percent. They know that I prefer a player without skill that will work hard and give everything for their team, than a player that have skill and will not work hard for his team. They all have agreed with me that we will give everything we have every game and we will come off that field without any regrets. Winning or losing, we will fight and play for each other and show everyone that we are better than our record indicates. We look forward to proudly representing the College of Mount St. Joseph!"

*Team Captain Peter Cahall controls the ball.*

## Mount in the HCAC

The Lions began their inaugural season of men's soccer in 2005 with a full slate of HCAC games. They were competitive in the HCAC, as they lost two games by one goal each, 3-2 to Bluffton and 1-0 to Franklin. They also dropped a 3-1 game to Hanover. Defender Dan McDonald was selected Second Team All-HCAC. Goalkeeper Kenny Goodin was second in the conference in saves and eighth in goals against average.

The 2006 season saw the Lions win their first-ever game in conference play, claiming a 1-0 win over Rose-Hulman. The Mount also defeated HCAC-rival Franklin 3-2 during the season. The Lions were first in the conference in goalkeeper saves, led by Second Team All-HCAC selection Austin Campbell. Chris Dobrowolski tied for fifth-most goals in HCAC action, and was chosen Second Team All-Conference.

The Mount had their best season to date in the HCAC during the 2007 season, claiming three wins including two straight wins

to close the season, posting a 2-1 victory over Franklin and a 2-0 win against Bluffton. They tied with the fifth-best record in the conference, narrowly missing a playoff bid. The Lions were second in the conference in saves while freshman goalkeeper Max Hoffman was second individually in the conference in saves. Robert Huesman and Peter Cahall were each voted Second Team All-Conference.

The team suffered a winless season in 2008 in the HCAC but played competitively at times. Four of their eight conference losses came by a one-goal margin, including three by 1-0 defeats. The Lions were first in team saves, as goalkeepers Max Hoffman (fifth) and Austin Campbell (fourth) were ranked in the top 10 individually in saves per game. Hoffman was also 10<sup>th</sup> in goals against average. Robert Huesman was named Second Team All-HCAC for the second straight season while teammate Ben Denier was also named Second Team All-Conference.
