College Profile

What is the College of Mount St. Joseph educational experience? It's learning through action – serving others, graduate-level research, paid co-op positions, and leadership development. It's a Catholic liberal arts education that helps you develop the knowledge to make a difference and the integrity to lead others.

The foundation of a Mount education comes from career-minded academic programs combined with dedicated support services and a 11:1 student-to-faculty ratio. New programs include a major in interactive media design & computing as well as minors in coaching and Spanish. The Academic Exploration Program, the Learning Center and personal advising are a few examples of the support that is available to help you achieve your academic goals.

At the Mount, you're encouraged to take your lessons outside of the classroom, into the community. Through the Service Learning Program, students earn academic credit while volunteering to feed the hungry, building homes for Habitat for Humanity, or comforting the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. The Cooperative Education program, available for all majors, is a way for students to gain valuable, paid career experience while validating their choice of a major.

Student-athletes are among the Mount's most active leaders on campus. Competing in the Heartland Collegiate Athletic Conference, the Mount fields more than 20 NCAA Division III sports teams. The newest lineup, men's volleyball, begins in spring 2010. Students also participate in 30 student-run clubs and organizations including Student Government Association, Black Student Union and MSJ Lions Band.

The Mount is committed to working with students to explore all financial aid options, especially eligibility for financial assistance including scholarships. In 2008-2009, 99 percent of full-time freshmen received some sort of gift aid; more than 10 million dollars in grants and scholarships were received by Mount students.

Cincinnati Spotlights

Students of the College of Mount St. Joseph greatly benefit from the rich heritage and traditions of Cincinnati. While the College is situated 15 minutes west of downtown, employment, arts and entertainment are never too far away.

Numerous Fortune 500 and Fortune 1000 companies are headquartered in Cincinnati. Procter & Gamble, The Kroger Company, and Fifth Third Bank, among others, contribute to Cincinnati's foundation while Cincinnati Children's Hospital Medical Center is among the nations' top children's hospitals. Mount Cooperative Education students are hired by more than 100 hospitals, businesses and nonprofit organizations of Greater Cincinnati.

Boasting a vibrant commitment to the arts, Cincinnatians enjoy the Contemporary Arts Center, Cincinnati Art Museum, Aronoff Center, Cincinnati Playhouse in the Park, Music Hall, and a varied supply of art galleries. Mount students often incorporate Cincinnati's art exhibits and performances into their studies.

Cincinnati knows sports. The Cincinnati Reds, the Major League Baseball team, and the Cincinnati Bengals, of the National Football League, provide competition, entertainment and emotion for the city's sports fans. Co-op and volunteer opportunities with these organizations are often available to Mount students. Cincinnati is also home to the Flying Pig Marathon every May and the Master's and Women's Open tennis tournament every August.

Historical neighborhoods such as Mount Adams, Clifton and Over-the-Rhine make good architectural and cultural adventures, while additional entertainment options are just across the Ohio River in Newport, Covington and Mainstrasse of Northern Kentucky.

Mission in Action

The College of Mount St. Joseph is a Catholic academic community grounded in the spiritual values and vision of its founders, the Sisters of Charity. At the heart of the Mount's mission and heritage is an emphasis on ethical leadership through service. Ethical leadership

celebrates the return of virtue, character and personal honor to their rightful place as the foundation of education. This commitment inspires the College's interdisciplinary liberal arts and professional curricula, which equips students to live with integrity, to promote justice, and to seek the truth in their professions and communities.

Service opportunities complement academics and student life while fostering a culture of learning informed by charity. In the Service Learning Program, students apply classroom knowledge while volunteering in social and environmental settings to feed the hungry, build homes for Habitat for Humanity and comfort the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. In serving others, students cultivate a greater understanding of social problems, an appreciation for the cultural diversity of other people, as well as a commitment to volunteerism and an understanding of its connection to citizenship.

Campus Ministry infuses all aspects of faith into the Mount's culture and celebrates spiritual exploration. Faith sharing programs, Mass, retreats, and other planned events help awaken and deepen an awareness of God's love and presence within the campus community. Inspired by Catholic social teaching, Campus Ministry encourages students to identify their gifts and to use them for the common good through activities such as Pizza and Ponder, Homelessness Awareness Week, and 30-Hour Famine.

2009-2010 Season Outlook

The Lions are looking forward to the 2009-2010 season with third-year Head Coach Casey Stouffer in command. After finishing the 2008-2009 season with a 2-0 record in the HCAC Tournament team duals, and a fourth place finish at the NCAA Division III Midwest Regional Tournament, the Lions look to build on that for this coming season.

Team goals for the year include a finish in the top-twenty nationally and a place in the top three at the regional tournament. The goal of winning the HCAC for a third consecutive year is part of the Lions big picture for the season, according to Stouffer. The Mount has a young team this season with only three seniors, Patrick Truster (197), who was 25-19 in the 2007-2008 season with 41 takedowns, and Eric Meyer (141), who had a record of 35-13 last season, recorded 68 takedowns with seven falls, and a high placing at the Regional, and Bryan Massong. Despite being the only two seniors these two provide excellent leadership for the underclassmen, according to Stouffer. Also being counted on to lead the way for the Lions this season are Massong (149), who went 34-17 last season and scored 74 takedowns.

The Lions have some new schedule changes for this year and they should play to their favor. Coach Stouffer said the added matches are to get their new wrestlers more competition allowing them to gain more experience. By adding several meets to this year's schedule it should increase the number of wrestlers able to participate, making them better overall as a team, adds Stouffer.

Among the top wrestlers for the Mount this season are Massong, Meyer, Truster, and sophomore Sean Jameson (285). Among other wrestlers

expected to compete at the top level are sophomore Tim Pope (165), who had 22 wins and 35 takedowns last season, freshman Sean Brooks (197), freshman Tommy Fehring (133) and freshman Ashton Kelchner (133). For the Lions to succeed this season they'll need their underclassmen to perform at a high level and step up to the challenge of collegiate wrestling, says Stouffer. As far as depth for this year's roster the numbers are there, but what they lack is experience.

"We still lack some depth at the lower weights and middle upper weights but we will have every weight class full," says Stouffer. "We have 32 guys when everyone is healthy and that will help us out a lot."

The Lions will be depending on a couple of newcomers at the beginning of the 2009-2010 season and Stouffer is looking for everyone to be a major contributor to their starting lineup right away. He added the team may have as many as five newcomers starting out of the ten starting weight classes.

Despite the youthful nature of this year's team, Coach Stouffer remains optimistic about keeping the standards of the Mount wrestling program high, anticipating another successful year. He feels that the coaching staff at the Mount helps provide the knowledge needed to maintain the excellent level of conditioning the wrestlers are known to have, and the great mental edge which plays a large part in recording crucial wins over tough opponents. In addition, the Mount will play host to the HCAC Championship Dual against Manchester this season.

2009-2010 Coaching Staff

HEAD COACH CASEY STOUFFER

Casey Stouffer returns for his third season this winter as Lions' head coach. Stouffer, a 2001 Mount graduate and former Lions' wrestler, took over the Lions' program for the 2007-2008 season. He has won the HCAC Coach of the Year honor the past two seasons and following his first season at the Mount he was named Mid-States

Coach of the Year.

Stouffer is the fourth head coach in the program's history, following Ron Corradini Sr., Rod Huber and Thomas Wynn. Stouffer has a Bachelor of Arts in Health/Physical Education degree. He is also working on a Masters in Education Administration degree and has Colorado teacher certification in health/physical education (K-12).

The Lions' coach is a native of Wabash, Ind., and is a graduate of Southwood (Indiana) High School. Stouffer, who wrestled for Huber for four seasons, was a letter-winner in the sport each of the four years, and was a three-time team captain. He also played on the Mount's tennis team for one season. While at the Mount, Stouffer was a member of FCA (Fellowship of Christian Athletes), the founder of Huddle at MSJ, and was affiliated with the Mount Education Association and NEA (National Education Association). Stouffer also made Dean's List at the Mount three times and was a NCAA Division III Scholar Athlete All-American (1999, 2000 and 2001).

After graduation from the Mount, Stouffer trained at the Olympic Wrestling Training Center in Colorado Springs, Colo., was a world champion in folkstyle wrestling (2002), an Ironman world wrestling champion (2002) and placed sixth at the Greco-Roman World Team Trials (2002).

Stouffer was a coach/counselor at the FCA Wrestling Camp and Ohio State University Wrestling Camp (1999), as well as being a retreat counselor for four years for Fellowship Christian Athletes. He was a teacher and head coach at Amelia High School (2002) before moving to Colorado Springs, Colo. During his time in Colorado, Stouffer was a physical education teacher at Colorado Springs Christian School and a health/physical education teacher at Lewis Palmer High School for four years. He was also the varsity head wrestling coach at Lewis Palmer High School for four seasons.

Coach Stouffer, his wife, Jessica, and daughter, Jada, reside in Cincinnati, Ohio.

ASSISTANT COACH STEVE IORI

Steve Iori returns for his fourth season as a Lions' assistant coach. Iori graduated from the College of Mount St. Joseph in 2001 with a Bachelor of Science in Business Administration degree with concentrations in marketing and management. He was a four-year wrestler for the Lions, and was the team's Rookie of the Year in 1998, after placing in the top six of every meet, and qualifying to NAIA National tournament that season. Iori was also on the Mount's first conference and regional championship team in 2000 and was a team captain as a senior.

Iori has been a substitute teacher and part owner of a landscaping business. He also coached wrestling at Elder High School for four years following college, directing numerous state placers, many of whom have gone on to wrestle collegiately. He also was a volunteer coach with the Elder Kids Club and Junior High programs and also assisted with the Westside Freestyle/Greco-Roman Wrestling Club.

He is currently employed in Fifth Third Bank's Consumer Lending Direct Equity lending division, analyzing risk and approving equity loans for new and/or existing FifthThird customers. Iori is also owner of Meshed Landscaping.

ASSISTANT COACH BRENNAN RYAN

Brennan Ryan returns for his second season as an assistant coach on the Mount's wrestling staff. Ryan, who has his master's degree in education from Xavier University, was most recently the head coach at Roger Bacon High School, a position he had held since 2000. During that time his teams recorded an 86-24 dual record, were two-time Division II-III city champs, two-time sectional champs, three-time GCL Central/North champs, and ranked in the Top 5 in Cincinnati Division II-III all seven seasons.

As a coach, Ryan was voted SWOWCA Division II Coach of the Year for 2005-06 and 2006-07, and also GCL North/Central Coach of the Year in 2004-05, 2005-06, and 2006-07. The team was led by Jason Roush (149), who took first place in his weight class and went on to the NCAA National Tournament, and by Ron Helm (141), third place. The Mount also collected one fourth place finish and four fifth place finishes in the tournament.
