College Profile

What is the College of Mount St. Joseph educational experience? It's learning through action – serving others, graduate-level research, paid co-op positions, and leadership development. It's a Catholic liberal arts education that helps you develop the knowledge to make a difference and the integrity to lead others.

The foundation of a Mount education comes from career-minded academic programs combined with dedicated support services and a 10:1 student-to-faculty ratio. New programs include a major in interactive media design & computing as well as minors in coaching and Spanish. The Academic Exploration Program, the Learning Center and personal advising are a few examples of the support that is available to help you achieve your academic goals.

At the Mount, you're encouraged to take your lessons outside of the classroom, into the community. Through the Service Learning program, students earn academic credit while volunteering to feed the hungry, building homes for Habitat for Humanity, or comforting the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. The Cooperative Education program, available for all majors, is a way for students to gain valuable, paid career experience while validating their choice of a major.

Student-athletes are among the Mount's most active leaders on campus. Competing in the Heartland Collegiate Athletic Conference, the Mount fields more than 20 NCAA Division III sports teams. The newest lineup, men's volleyball, begins in spring 2010. Students also participate in 30 student-run clubs and organizations including Student Government Association and Black Student Union.

The Mount is committed to working with students to explore all financial aid options, especially eligibility for financial assistance including scholarships. In 2009-2010, 97 percent of full-time freshmen received some sort of gift aid; more than 10 million dollars in grants and scholarships were received by Mount students.

A Message from the President

Dr. Tony Aretz

Welcome to the College of Mount St. Joseph, home of the Mount Lions. Our student-athletes work hard and love the sports they play, and are always backed by supportive faculty, coaches and staff who are committed to helping them achieve success.

This year the Mount pays homage to the roots of our athletics program with the establishment of the Athletic Hall of Fame. The first inductees are considered cornerstones of Mount athletics: Kay Corcoran, T. Jean Dowell and Pat Shibinski. These women helped blaze the trail for the excellent athletic programs we offer student-athletes today.

I hope you enjoy your experience at the Mount and the excitement of competitive athletics at the college level. Our goal is nothing short of developing a nationally competitive NCAA Division III athletic program for our students and the community.

God bless,

Tony Aretz, Ph.D.
President

Soccer Team Motto and Quote

The Athlete Inside The Mirror

"You might be asking yourself, "What could this mirror I am looking into possibly have to do with athletics?" You should be asking yourself this question, because you should never stop asking yourself questions that deal with your work ethic as an athlete. You have never thought about it, but you and this mirror share the closest and most intimate relationship between you and anything else in your life. You will not admit to anyone else that you did not work as hard as you could have today, but the real truth lies deep inside of you, and even deeper inside the mirror. The one great thing about you being the athlete and the mirror being the mirror is that the mirror will never lie to you and you will never be able to fool the mirror. The truth surfaces each time you look back into your own eyes with each passing glance and reflecting stare. You, the athlete: Contemplating whether you can accept or not accept all you did this very day to be the best athlete you can be. Understand, you are the only one who has to look at yourself through this mirror – not only today, but every day. You are the only one who

has to look inside before you sleep at night wondering whether your conscience can reconcile with each passing beat of your heart the thought that you may not have given the game all you should have today. And because today is now over, you are the only one who knows what you must do tomorrow. These concepts reveal the greatest truths that you will ever know about yourself, as you see what you want to see through your own eyes. You see the real you in your purest form. What is left, then, are two questions, and only your soul holds the key: Are you honest with your virtues, your weaknesses, and most of all yourself? And can you live, without any regrets, each and every time you look at The Athlete Inside the Mirror?"

Cincinnati Spotlights

Students of the College of Mount St. Joseph greatly benefit from the rich heritage and traditions of Cincinnati. While the College is situated 15 minutes west of downtown, employment, arts and entertainment are never too far away.

Numerous Fortune 500 and Fortune 1000 companies are headquartered in Cincinnati. Procter & Gamble, The Kroger Company, and Fifth Third Bank, among others, contribute to Cincinnati's foundation while Cincinnati Children's Hospital Medical Center is among the nation's top children's hospitals. Mount Cooperative Education students are hired by more than 100 hospitals, businesses and nonprofit organizations of Greater Cincinnati.

Boasting a vibrant commitment to the arts, Cincinnatians enjoy the Contemporary Arts Center, Cincinnati Art Museum, Aronoff Center, Cincinnati Playhouse in the Park, Music Hall, and a varied supply of art galleries. Mount students often incorporate Cincinnati's art exhibits and performances into their studies.

Cincinnati knows sports. The Cincinnati Reds, the Major League Baseball team, and the Cincinnati Bengals, of the National Football League, provide competition, entertainment and emotion for the city's sports fans. Co-op and volunteer opportunities with these organizations are often available to Mount students. Cincinnati is also home to the Flying Pig Marathon every May and the Master's and Women's Open tennis tournament every August.

Historical neighborhoods such as Mount Adams, Clifton and Over-the-Rhine make good architectural and cultural adventures, while additional entertainment options are just across the Ohio River in Newport, Covington and Mainstrasse of Northern Kentucky.

Mission in Action

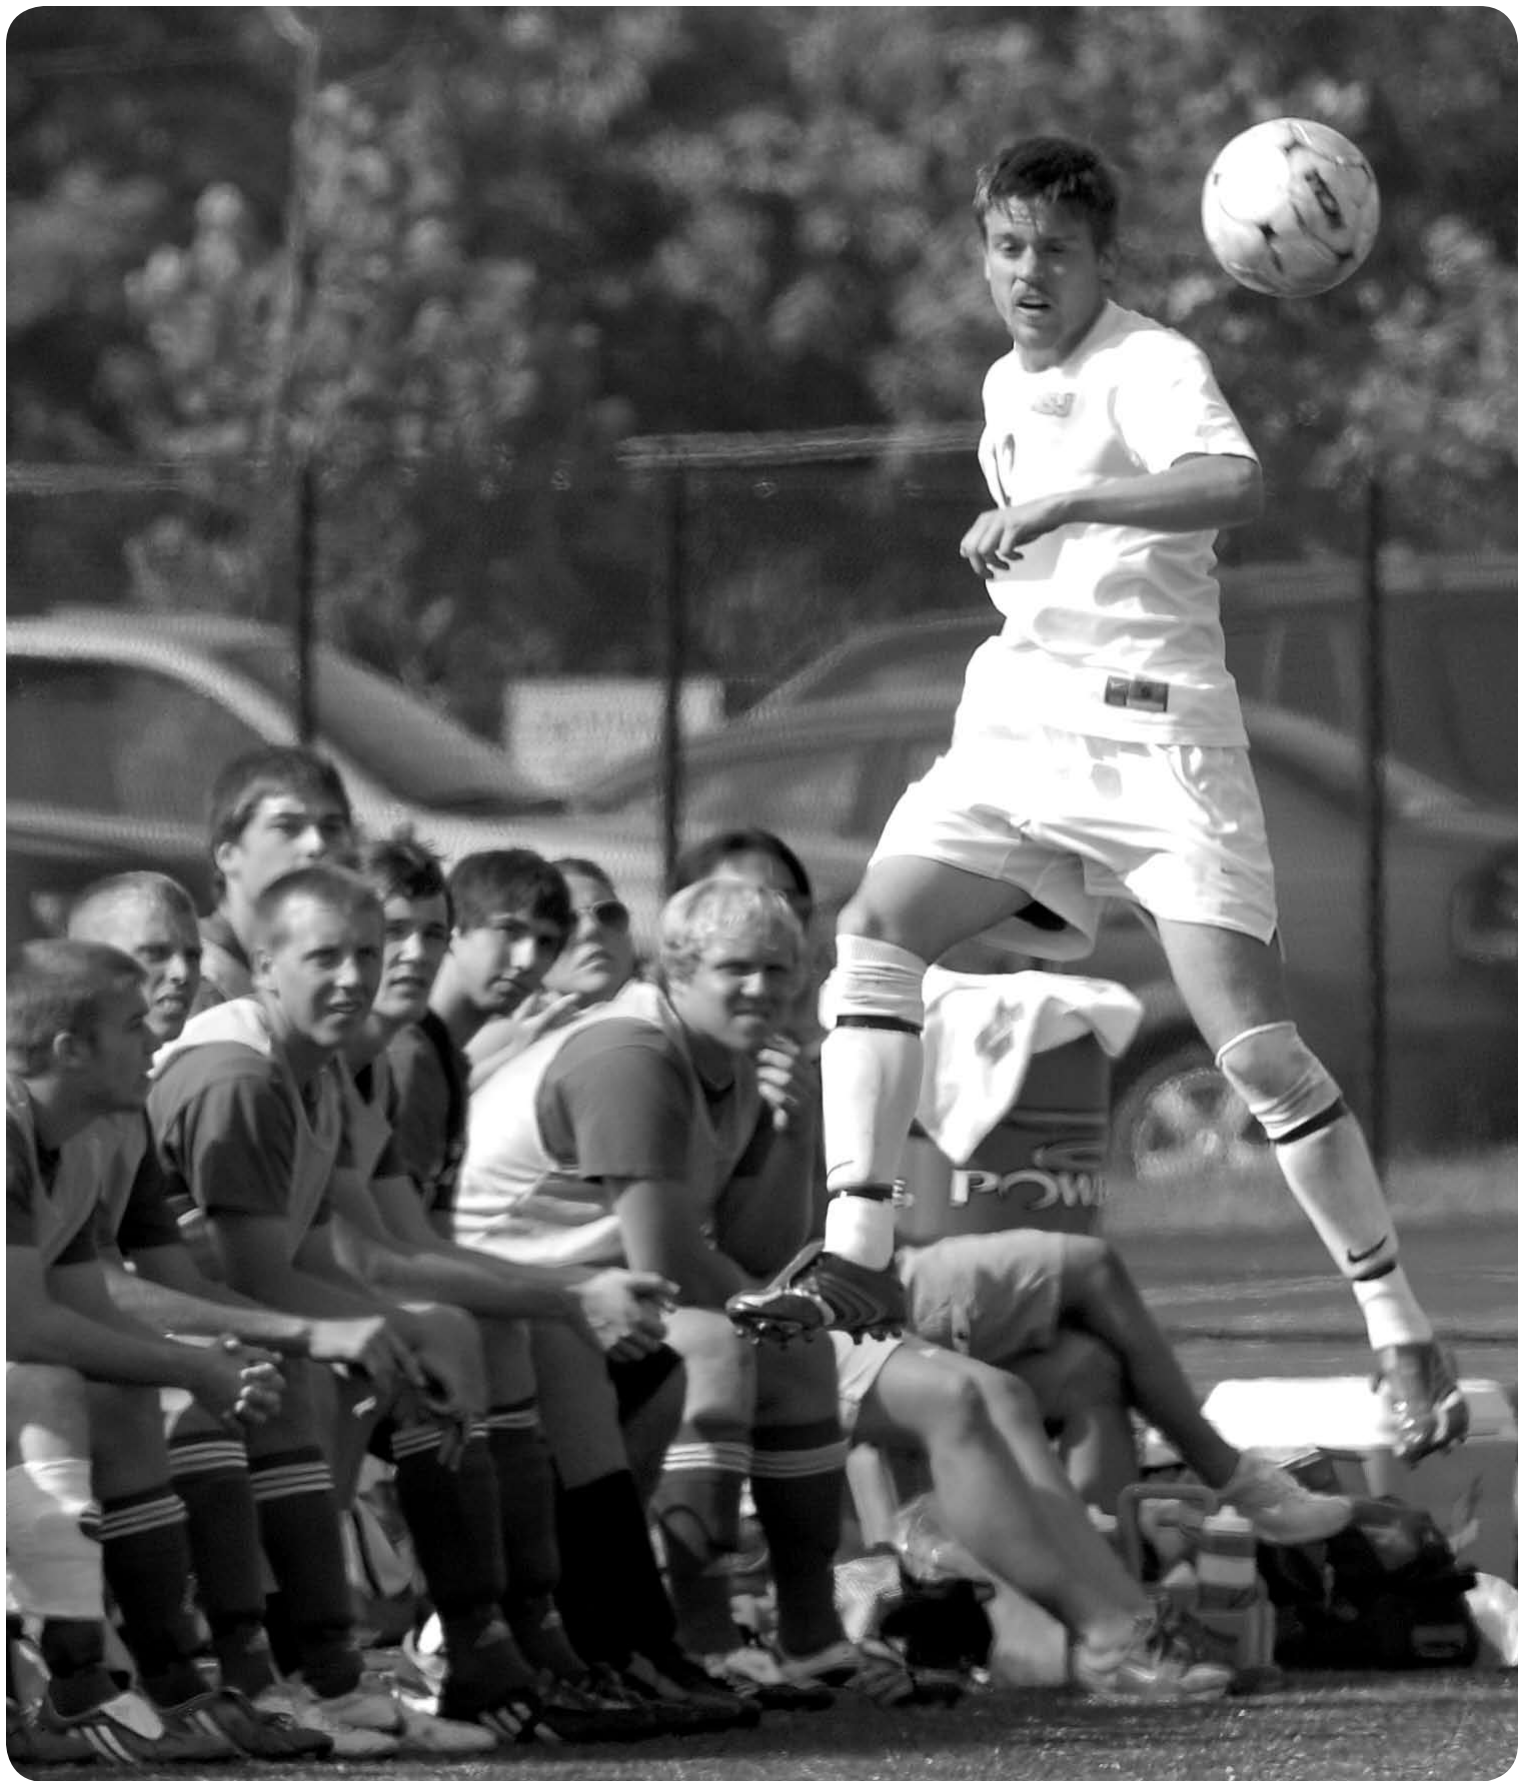

The College of Mount St. Joseph is a Catholic academic community grounded in the spiritual values and vision of its founders, the Sisters of Charity. At the heart of the Mount's mission and heritage is an emphasis on ethical leadership through service. Ethical leadership

celebrates the return of virtue, character and personal honor to their rightful place as the foundation of education. This commitment inspires the College's interdisciplinary liberal arts and professional curricula, which equips students to live with integrity, to promote justice, and to seek the truth in their professions and communities.

Service opportunities complement academics and student life while fostering a culture of learning informed by charity. In the Service Learning Program, students apply classroom knowledge while volunteering in social and environmental settings to feed the hungry, build homes for Habitat for Humanity and comfort the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. In serving others, students cultivate a greater understanding of social problems, an appreciation for the cultural diversity of other people, as well as a commitment to volunteerism and an understanding of its connection to citizenship.

Campus Ministry infuses all aspects of faith into the Mount's culture and celebrates spiritual exploration. Faith sharing programs, Mass, retreats, and other planned events help awaken and deepen an awareness of God's love and presence within the campus community. Inspired by Catholic social teaching, Campus Ministry encourages students to identify their gifts and to use them for the common good through activities such as Pizza and Ponder, Homelessness Awareness Week, and 30-Hour Famine.

The 2009 College of Mount St. Joseph soccer team

2010 Season Outlook

Coach Rudy Argueta is entering his second year as the head coach for the men's soccer team. This year he is emphasizing to his team that they need to work on the technical aspect of the game. "We work on this at practice but I encourage them to do it on their own as well. Also, we have been trying to keep possession of the ball more this year. I believe that by being patient and keeping the ball at our feet, we can find more opportunities to not only score but also make fewer mistakes on giving it away," states Argueta.

Besides the technical part, Argueta wants the guys to be quicker on their decision making. He says the guys don't really think of what they are doing before they receive the ball. "I believe if we do this we will succeed in our future goals."

There are no key games circled on the men's schedule because every game is important. The Lions have a tough out of conference schedule. They will be facing College of Wooster, Marietta College, Cincinnati Christian University, Thomas More College, Centre College, Wittenberg University, Baldwin Wallace College, and Urbana University. Argueta wants to give every game the same kind of importance. "Our non-conference games are so important to us because we are playing quality programs that have shown through the years that they belong on top of the list and we know that if we can win these games, we can go to our conference games with a lot of confidence and maybe surprise a lot of these teams," says Argueta.

The forwards are going to be hungry to score more goals this season as well as lead the team. Leading the forwards will be junior Tim Pope and sophomore Nick Siko. Pope and Siko were named 2nd team all-conference last year. To help Pope and Siko out up front will be Luke Jacob, Shawn Damen, Bryson Lewis, Shayne Bateman, Cody Dunkin, Jesse Weidner, and Colton Chicketti.

Coach Argueta says that our midfield is going to be one of our stronger factors in our team; we have many players returning who bring a lot of experience and are looking to make a difference this year. Taking charge in the midfield are two of the three captains – senior Michael Lucien and sophomore Lee Rogers. "These two players will bring their experience and leadership to help this team get to the next level," says Argueta. Backing up Lucien and Rogers are Nicholas Groman, Dan Blair, Christopher Corbett, and James Hice. The Mount has a deep midfield that is going to be able to contribute in many aspects.

The defenses will be relying on senior captain Tommy Sunderhaus and junior Brad Hudgins to keep the opponents from scoring. "The defense is going to be strong this year but going to need some players to step up," says Argueta. Stewart Higgins and Michael Brunner will help in line of defense.

The Lions have three returning goalkeepers who all have a lot of experience as well as qualities to bring to the team. Senior Maxwell Hoffman will be in the net defending off the opponents shots. To help out will be sophomores Tyler Kenyon and Paul Orleck. These guys are working very hard and pushing each other to become a better keeper as well as to keep the other teams from putting balls in the back of the net say Argueta.

Coach Argueta believes that for the first time since joining the Mount's coaching staff, that every team member has stepped up to be a leader. "Every player on our team has led this team in different ways. I believe our captains have had a big role in leading this team from last year to now. Tommy Sunderhaus, Lee Rogers and Michael Lucien have made time to reach out to their teammates and get feedback on what our team needs and what all the players want this year. These guys are trying to keep this team united so we can reach our goal, which is to be a better team each year."

"I see a lot of hunger and passion in this team. I feel that the guys are willing to do whatever they can to be able to make a difference this season. Different from years past, these guys are breathing and living their sport. They want to have a special year and I can see how hungry they are to become a recognizable program. They want to gain more respect, not only from other teams, but also from other programs at the Mount. They want to let everyone know that they are better than what the records indicate. They are ready to surprise everyone."

Coach Argueta feels that they will have a good year. "Even though our record from last year shows a very bad year, we believe we had a good one. We competed in almost every game and showed ourselves that we are getting better. No matter what the final results are, we will do our best and work hard every day to become better each day."

Head Coach Rudy Argueta's message to the team:

I would like to take this opportunity to thank every single one of my players for being a part of this program and for taking their time to be a part of this team. But mostly I want to thank them for putting their trust in me to help them become better soccer players as well as individuals. Thank you for choosing our program for your future education and I am happy and proud to have you with us.

Mount in the HCAC

The Lions began their inaugural season of men's soccer in 2005 with a full slate of HCAC games. They were competitive in the HCAC, as they lost two games by one goal each, 3-2 Bluffton and 1-0 to Franklin. They also dropped a 3-1 game to Hanover. Defender Dan McDonald selected Second Team All-HCAC. Goalkeeper Kenny Goodin was second in the conference in saves and eighth in goals against average.

The 2006 season saw the Lions win their first-ever game in conference play, claiming a 1-0 win over Rose-Hulman. The Mount also defeated HCAC-rival Franklin 3-2 during the season. The Lions were first in the conference in goalkeeper saves, led by Second Team All-HCAC selection Austin Campbell. Chris Dobrowolski tied for fifth-most goals in the HCAC action, and was chosen Second Team All-Conference.

The Mount had their best season to date in the HCAC during the 2007 season, claiming three wins including two straight wins to close the season, posting a 2-1 victory over Franklin and a 2-0 win against Bluffton. They tied with the fifth-best record in conference, narrowly missing a playoff bid. The Lions were second in the conference in

saves while freshman goalkeeper Max Hoffman was second individually in the conference in saves. Robert Huesman and Peter Cahall were each voted Second Team All-Conference.

The team suffered a winless season in 2008 in the HCAC but played competitively at times. Four of their eight conference losses came by a one-goal margin, including three by 1-0 defeats. The Lions were first in team saves, as goalkeepers Max Hoffman (fifth) and Austin Campbell (fourth) were ranked individually in saves per game. Hoffman was also 10th in goals against average. Robert Huesman was named Second Team All-HCAC for the second straight season while teammate Ben Denier was also named Second Team All-Conference.

In the 2009 season the Mount won two games but out of their fifteen losses they lost five games by one goal each. They were second in saves in the conference with Max Hoffman ranking fifth in the conference in saves. Peter Cahall was selected First Team All-HCAC. Teammates Nick Siko and Tim Pope were selected Second Team All-Conference.
