## College Profile

What is the College of Mount St. Joseph educational experience? It's learning through action – serving others, graduate-level research, paid co-op positions, and leadership development. It's a Catholic liberal arts education that helps you develop the knowledge to make a difference and the integrity to lead others.

The foundation of a Mount education comes from career-minded academic programs combined with dedicated support services and a 10:1 student-to-faculty ratio. New programs include a major in interactive media design & computing as well as minors in coaching and Spanish. The Academic Exploration Program, the Learning Center and personal advising are a few examples of the support that is available to help you achieve your academic goals.

At the Mount, you're encouraged to take your lessons outside of the classroom, into the community. Through the Service Learning program, students earn academic credit while volunteering to feed the hungry, building homes for Habitat for Humanity, or comforting the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. The Cooperative Education program, available for all majors, is a way for students to gain valuable, paid career experience while validating their choice of a major.

Student-athletes are among the Mount's most active leaders on campus. Competing in the Heartland Collegiate Athletic Conference, the Mount fields more than 20 NCAA Division III sports teams. The newest lineup, men's volleyball, began in spring 2010. Students also participate in 30 student-run clubs and organizations including Student Government Association and Black Student Union.

The Mount is committed to working with students to explore all financial aid options, especially eligibility for financial assistance including scholarships. In 2009-2010, 97 percent of full-time freshmen received some sort of gift aid; more than 10 million dollars in grants and scholarships were received by Mount students.

## A Message from the President

### Dr. Tony Aretz

Welcome to the College of Mount St. Joseph, home of the Mount Lions. Our student-athletes work hard and love the sports they play, and are always backed by supportive faculty, coaches and staff who are committed to helping them achieve success.

This year the Mount pays homage to the roots of our athletics program with the establishment of the Athletic Hall of Fame. The first inductees are considered cornerstones of Mount athletics: Kay Corcoran, T. Jean Dowell and Pat Shibinski. These women helped blaze the trail for the excellent athletic programs we offer student-athletes today.

I hope you enjoy your experience at the Mount and the excitement of competitive athletics at the college level. Our goal is nothing short of developing a nationally competitive NCAA Division III athletic program for our students and the community.

God bless,

Tony Aretz, Ph.D.  
President

Students of the College of Mount St. Joseph greatly benefit from the rich heritage and traditions of Cincinnati. While the College is situated 15 minutes west of downtown, employment, arts and entertainment are never too far away.

Numerous Fortune 500 and Fortune 1000 companies are headquartered in Cincinnati. Procter & Gamble, The Kroger Company, and Fifth Third Bank, among others, contribute to Cincinnati's foundation while Cincinnati Children's Hospital Medical Center is among the nations' top children's hospitals. Mount Cooperative Education students are hired by more than 100 hospitals, businesses and nonprofit organizations of Greater Cincinnati.

Boasting a vibrant commitment to the arts, Cincinnatians enjoy the Contemporary Arts Center, Cincinnati Art Museum, Aronoff Center, Cincinnati Playhouse in the Park, Music Hall, and a varied supply of art galleries. Mount students often incorporate Cincinnati's art exhibits and performances into their studies.

Cincinnati knows sports. The Cincinnati Reds, the Major League Baseball team, and the Cincinnati Bengals, of the National Football League, provide competition, entertainment and emotion for the city's sports fans. Co-op and volunteer opportunities with these organizations are often available to Mount students. Cincinnati is also home to the Flying Pig Marathon every May and the Master's and Women's Open tennis tournament every August.

Historical neighborhoods such as Mount Adams, Clifton and Over-the-Rhine make good architectural and cultural adventures, while additional entertainment options are just across the Ohio River in Newport, Covington and Mainstrasse of Northern Kentucky.

## Mission in Action

The College of Mount St. Joseph is a Catholic academic community grounded in the spiritual values and vision of its founders, the Sisters of Charity. At the heart of the Mount's mission and heritage is an emphasis on ethical leadership through service. Ethical leadership celebrates the return of virtue, character and personal honor to their rightful place as the foundation of education. This commitment inspires the College's interdisciplinary liberal arts and professional curricula, which equips students to live with integrity, to promote justice, and to seek the truth in their professions and communities.

Service opportunities complement academics and student life while fostering a culture of learning informed by charity. In the Service Learning Program, students apply classroom knowledge while volunteering in social and environmental settings to feed the hungry, build homes for Habitat for Humanity and comfort the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. In serving others, students cultivate a greater understanding of social problems, an appreciation for the cultural diversity of other people, as well as a commitment to volunteerism and an understanding of its connection to citizenship.

Campus Ministry infuses all aspects of faith into the Mount's culture and celebrates spiritual exploration. Faith sharing programs, Mass, retreats, and other planned events help awaken and deepen an awareness of God's love and presence within the campus community. Inspired by Catholic social teaching, Campus Ministry encourages students to identify their gifts and to use them for the common good through activities such as Pizza and Ponder, Homelessness Awareness Week, and 30-Hour Famine.

## 2011 Season Outlook

The Lions had a solid overall season last spring, capped by a third place finish at the HCAC Tournament. With three players back this season from that group, and a strong group of first-year members, Head Coach Joe Sparhawk is hoping for even more improvement in 2011.

That top three finish at the HCAC Tournament last spring will put the Lions among the top three tee times for this spring's conference tournament. Sparhawk says that position will push the team to up their level of play for the 2011 season. That third place finish tied the Lions' top team standing at the HCAC Tournament (2009).

"Playing in the top three tends to make the guys concentrate a little more," Sparhawk states. "You increase your level of play when you play with the top teams."

The top team in the HCAC Tournament will receive an Automatic Qualification to the NCAA Division III Tournament, something Sparhawk states is a team goal this season. The NCAA has increased the number of teams to the national tournament this season to 40, so if the Lions do not win the HCAC Tournament, a good season could propel them to the national tournament as an at-large team.

Other top finishes last spring for the Mount, said Sparhawk, were the second place showing at their MSJ Invitational, and a second place standing at the Rose-Hulman Spring Invite.

Sparhawk states that his team's additional goal is to be in the top three of every tournament they play in, something they did four times in 2010. After a strong fall 2010 season, in which the team garnered two third place finishes, and a tie for third place in another tournament, the Lions look poised to make a run at their season objectives.

"We had a good fall but have lost two key players from that group," Sparhawk adds. "I think we have a lot of talent, though, to get to where we want to be."

Returning for their third seasons this spring for the Lions are juniors Dean Kruschinski and Jeremy Nichols. Devin Cain, a sophomore, returns for his second season. The team's roster is rounded out by first-year golfers: Kenny Brosnan, a junior; Phil Gilmore, a freshman; Bobby Grossnickle, a freshman; Conor McGarry, a freshman; Ben Schneider, a freshman; and Tom Witterstaetter, a freshman.

Cain averaged 84.3 per round last season while Kruschinski averaged 81.9 and Nichols averaged 80.0 in the spring of 2010. Kruschinski had a low round of 76 and a top finish of a tenth place tie (at the MSJ Invite) last spring. Nichols had a low round of 76 and a seventh place tie at the MSJ Invite last spring. Nichols and Kruschinski figure to hold down top five spots during the season, said Sparhawk, while early in the preseason the other top five positions belonged to Brosnan, Witterstaetter and either Gilmore or McGarry. Coach Sparhawk added that Schneider, Cain and Grossnickle were pushing for a scoring position for the Lions.

Sparhawk said the Lions were tested numerous times in the fall of 2010, in preparation for the upcoming spring season. Among those top tournaments were the Ohio Wesleyan University Fall Invitational, the Centre College Invitational and the Wittenberg University Fall Invitational – where Sparhawk stated his team played the best they have ever played, shooting a two-round score of 634.

The Lions' coach said each player on his 2011 team has different strengths which could allow for many different players to move in-and-out of the top five spots. He makes the team's daily practices tournament-like in nature to prepare them for the weekend tournament action.

"One through nine, this is definitely one of the better teams I've coached," Sparhawk adds. "My guys expect to play well all of the time and they're ready for a good season."

Sparhawk says his team must be consistent, each hole, to record low scores and do well overall.

"I tell them all the time that they must play the next shot, and get over what just happened to them," Sparhawk adds. "I want to make sure that one bad shot does not affect them on their next shot."

As for the conference tournament competition, Sparhawk states the usual schools, Transylvania University, Franklin College and Hanover College will be among the HCAC competitors that will be the Lions' toughest challenge.

"We want to be consistent, and shoot in the 70s with the top five," Sparhawk says. "If we can do that, we'll compete for wins each time out."

Mount Head Coach Joe Sparhawk looks on as freshman Phil Gilmore hits from the fairway.

## 2011 Coaching Staff

## Mount in the HCAC

This is the ninth year of competition for the Mount in the Heartland Collegiate Athletic Conference. All HCAC schools, excluding Bluffton University and Earlham College, compete in men's golf, with the HCAC Championship at season's end.

The Lions placed eighth in 2003, among eight HCAC teams in the conference tournament, which was won by Franklin College for the second straight season. Anderson University led after the first day of action but was overtaken by a strong Franklin squad in day two for the championship. Ben Chandler led the Mount individually with a 28th place finish. Four of the Mount's five returning golfers competed in the HCAC Championship. The Mount placed eighth at the 2004 HCAC Tournament. All eight of the conference schools participated in the tournament. Franklin College claimed the title, while Bluffton took second. E.J. Engelkamp led the Lions, tying for 10th place with a two-day score of 156.

The 2005 Lions placed eighth in the HCAC Tournament, which was won by Franklin. The Mount did not receive a team score because they only had two players participate in the tournament. In the two-day event, Ken Stamm led the Lions with an overall score of 222 and Casey McMahon scored an overall 240.

In 2006, the Mount recorded a sixth place finish in the HCAC Championship, recording a team score of 734. Franklin claimed its fifth straight HCAC title, outdistancing number two Transylvania by 10 strokes. Steve Pence turned in the best score for the Lions, finishing 27th overall with a 173. Chris Lamb led the way for the Mount in 2007 at the HCAC Championship, placing 18th individually. The Lions, however, slipped a

spot to seventh in the team standings from last season's finish. That was, however, their second-best finish as a team in their fifth year of HCAC Championship play. Transylvania claimed the team championship.

While the Lions placed eighth in the team standings in 2008, they did show some improvement. They cut 12 strokes off their team total from the year before. Nick Barlow and Chris Lamb turned in the highest individual finishes for the Mount, with each tying for 22nd place. The Lions solid second round score of 328 saw them turn in their best round of the tournament and a 24 stroke improvement over their first round score. Transylvania once again won the team title, with a 61-shot difference over number two Franklin.

The Lions made tremendous improvement in the 2009 HCAC tournament. Finishing third in the standings, beating last year's total by 75 strokes, posting a 1301 for their tournament final. Shooting a low round of 318 for the tournament, which was 10 strokes lower than last year's lowest round in the tournament. Transylvania claimed the HCAC title for the third year in a row, posting a four day total of 1,233 strokes, with a low round of 303.

In 2010, the Mount tied their best-ever finish in the HCAC tournament, with a third place standing. Transylvania again took home the title for the fourth straight year, with a score of 1,192, while the Lions had a total of 1,250, tying for third place with Hanover, but claiming the spot based on the fifth golfers' scores. The Mount's low round in the four-round HCAC tournament was a 308. Will Schau turned in the best score for the Lions with a seventh place tie at 306. Schau's finish earned him All-HCAC honors. Jeremy Nichols was 12<sup>th</sup> with a 311.
