College Profile

What is the College of Mount St. Joseph educational experience? It's learning through action – serving others, graduate-level research, paid co-op positions, and leadership development. It's a Catholic liberal arts education that helps you develop the knowledge to make a difference and the integrity to lead others.

The foundation of a Mount education comes from career-minded academic programs combined with dedicated support services and a 10:1 student-to-faculty ratio. New programs include a major in interactive media design & computing as well as minors in coaching and Spanish. The Academic Exploration Program, the Learning Center and personal advising are a few examples of the support that is available to help you achieve your academic goals.

At the Mount, you're encouraged to take your lessons outside of the classroom, into the community. Through the Service Learning program, students earn academic credit while volunteering to feed the hungry, building homes for Habitat for Humanity, or comforting the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. The Cooperative Education program, available for all majors, is a way for students to gain valuable, paid career experience while validating their choice of a major.

Student-athletes are among the Mount's most active leaders on campus. Competing in the Heartland Collegiate Athletic Conference, the Mount fields more than 20 NCAA Division III sports teams. The newest lineup, men's volleyball, began in spring 2010. Students also participate in 30 student-run clubs and organizations including Student Government Association and Black Student Union.

The Mount is committed to working with students to explore all financial aid options, especially eligibility for financial assistance including scholarships. In 2009-2010, 97 percent of full-time freshmen received some sort of gift aid; more than 10 million dollars in grants and scholarships were received by Mount students.

A Message from the President

Dr. Tony Aretz

Welcome to the College of Mount St. Joseph, home of the Mount Lions. Our student-athletes work hard and love the sports they play, and are always backed by supportive faculty, coaches and staff who are committed to helping them achieve success.

This year the Mount pays homage to the roots of our athletics program with the establishment of the Athletic Hall of Fame. The first inductees are considered cornerstones of Mount athletics: Kay Corcoran, T. Jean Dowell and Pat Shibinski. These women helped blaze the trail for the excellent athletic programs we offer student-athletes today.

I hope you enjoy your experience at the Mount and the excitement of competitive athletics at the college level. Our goal is nothing short of developing a nationally competitive NCAA Division III athletic program for our students and the community.

God bless,

Tony Aretz, Ph.D.
President

Cincinnati Spotlights

Students of the College of Mount St. Joseph greatly benefit from the rich heritage and traditions of Cincinnati. While the College is situated 15 minutes west of downtown, employment, arts and entertainment are never too far away.

Numerous Fortune 500 and Fortune 1000 companies are headquartered in Cincinnati. Procter & Gamble, The Kroger Company, and Fifth Third Bank, among others, contribute to Cincinnati's foundation while Cincinnati Children's Hospital Medical Center is among the nations' top children's hospitals. Mount Cooperative Education students are hired by more than 100 hospitals, businesses and nonprofit organizations of Greater Cincinnati.

Boasting a vibrant commitment to the arts, Cincinnatians enjoy the Contemporary Arts Center, Cincinnati Art Museum, Aronoff Center, Cincinnati Playhouse in the Park, Music Hall, and a varied supply of art galleries. Mount students often incorporate Cincinnati's art exhibits and performances into their studies.

Cincinnati knows sports. The Cincinnati Reds, the Major League Baseball team, and the Cincinnati Bengals, of the National Football League, provide competition, entertainment and emotion for the city's sports fans. Co-op and volunteer opportunities with these organizations are often available to Mount students. Cincinnati is also home to the Flying Pig Marathon every May and the Master's and Women's Open tennis tournament every August.

Historical neighborhoods such as Mount Adams, Clifton and Over-the-Rhine make good architectural and cultural adventures, while additional entertainment options are just across the Ohio River in Newport, Covington and Mainstrasse of Northern Kentucky.

Mission in Action

The College of Mount St. Joseph is a Catholic academic community grounded in the spiritual values and vision of its founders, the Sisters of Charity. At the heart of the Mount's mission and heritage is an emphasis on ethical leadership through service. Ethical leadership celebrates the return of virtue, character and personal honor to their rightful place as the foundation of education. This commitment inspires the College's interdisciplinary liberal arts and professional curricula, which equips students to live with integrity, to promote justice, and to seek the truth in their professions and communities.

Service opportunities complement academics and student life while fostering a culture of learning informed by charity. In the Service Learning Program, students apply classroom knowledge while volunteering in social and environmental settings to feed the hungry, build homes for Habitat for Humanity and comfort the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. In serving others, students cultivate a greater understanding of social problems, an appreciation for the cultural diversity of other people, as well as a commitment to volunteerism and an understanding of its connection to citizenship.

Campus Ministry infuses all aspects of faith into the Mount's culture and celebrates spiritual exploration. Faith sharing programs, Mass, retreats, and other planned events help awaken and deepen an awareness of God's love and presence within the campus community. Inspired by Catholic social teaching, Campus Ministry encourages students to identify their gifts and to use them for the common good through activities such as Pizza and Ponder, Homelessness Awareness Week, and 30-Hour Famine.

2011 Season Outlook

The 2010 season was the Lions' first season of competition, and despite not producing any victories, that team laid the groundwork for the future goals of the Mount men's volleyball program. For the 2011 season, second-year Head Coach Jon Bennett is going to emphasize to his players to come together as a team, adapt to the new players and to get comfortable playing next to each other. Coach Bennett wants to see determination from each player.

"If we can compete in practice as hard as we compete in matches, then we should have a successful season," Bennett states.

Coach Bennett recruited six new players, which he hopes will get the team on the winning path this season. Additionally, Bennett will look to sophomore outside hitter Josh Fisher, a transfer from St. Clair College, who will bring college experience to the team.

The returners from last season include sophomore setter Daniel Holloway, sophomore defensive specialist Billy Coon, senior outside hitter John Dumford, senior outside hitter Jon Grote, and junior opposite side hitter Kyle Smith. Sophomore middle hitter Greg Mayhall also returns, while first-year players, Brian Willis, Alex Niemann, Brian Thompson, Jacob McCormick, and Elliott Miller, all freshmen, round out the squad.

Holloway led the team in assists last year, while finishing second on the team in service aces (tied), and blocks. Dumford was second on the Mount in kills, and first in digs and service aces last season.

Preparing for this season, the players have taken advantage of open gyms during summer as well as the beginning of school, according to Bennett. As for the 2011 season, Bennett states that the campaign will be more competitive this season and that the team will be helped by having additional players this winter. Along with a tough schedule again this season, Bennett wants his team to play the best they can and get better every time we out.

"If we come together as a team that will be big for us," Bennett adds. "We want to always be competitive with what we do, and be better every single day."

Among the key matches for the Lions in 2011 will be the Second Annual Charlie Wrublewski Tournament, which will consist of the following teams: Missouri Valley College, Siena Heights University, King College, and Rust College. The Mount will be in the Midwest-III Conference again this season, with Carthage College, Fontbonne College, Milwaukee School of Engineering, and first-year conference member Thiel College.

With the enthusiasm from the new players and the inspirational leadership from the returning players, the Mount volleyball team is looking forward to an exciting and competitive season in 2011.
