## College Profile

What is the College of Mount St. Joseph educational experience? It's learning through action – serving others, graduate-level research, paid co-op positions, and leadership development. It's a Catholic liberal arts education that helps you develop the knowledge to make a difference and the integrity to lead others.

The foundation of a Mount education comes from career-minded academic programs combined with dedicated support service and a 12:1 student-to-faculty ratio. New on campus this year is a minor in Sustainability, Nursing Learning Labs and Biochemistry Lab.

At the Mount, you're encouraged to take your lessons outside of the classroom, into the community. Through the Service Learning program, students earn academic credit while volunteering to feed the hungry, building homes for Habitat for Humanity, or comforting the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. The Cooperative Education program, available for all majors, is a way for students to gain valuable, paid career experience while validating their choice of a major.

Student-athletes are among the Mount's most active leaders on campus. Competing in the Heartland Collegiate Athletic conference, the Mount fields more than 20 NCAA Division III sports teams. Students also participate in 40 student-run clubs and organizations including Student Government Association and Black Student Union.

The Mount is committed to working with students to explore all financial aid options, especially eligibility for financial assistance including scholarships. In 2010-2011, 96% of full-time freshmen received some sort of gift aid; more than 18 million dollars in grants and scholarships were received by Mount students.

# Cincinnati Spotlights

Students of the College of Mount St. Joseph greatly benefit from the rich heritage and traditions of Cincinnati. While the College is situated 15 minutes west of downtown, employment, arts and entertainment are never too far away.

Numerous Fortune 500 and Fortune 1000 companies are headquartered in Cincinnati. Procter & Gamble, The Kroger Company, and Fifth Third Bank, among others, contribute to Cincinnati's foundation while Cincinnati Children's Hospital Medical Center is among the nations' top children's hospitals. Mount Cooperative Education students are hired by more than 100 hospitals, businesses and nonprofit organizations of Greater Cincinnati.

Boasting a vibrant commitment to the arts, Cincinnatians enjoy the Contemporary Arts Center, Cincinnati Art Museum, Aronoff Center, Cincinnati Playhouse in the Park, Music Hall, and a varied supply of art galleries. Mount students often incorporate Cincinnati's art exhibits and performances into their studies.

Cincinnati knows sports. The Cincinnati Reds, the Major League Baseball team, and the Cincinnati Bengals, of the National Football League, provide competition, entertainment and emotion for the city's sports fans. Co-op and volunteer opportunities with these organizations are often available to Mount students. Cincinnati is also home to the Flying Pig Marathon every May and the Master's and Women's Open tennis tournament every August.

Historical neighborhoods such as Mount Adams, Clifton and Over-the-Rhine make good architectural and cultural adventures, while additional entertainment options are just across the Ohio River in Newport, Covington and Mainstrasse of Northern Kentucky.

## Mission in Action

The College of Mount St. Joseph is a Catholic academic community grounded in the spiritual values and vision of its founders, the Sisters of Charity. At the heart of the Mount's mission and heritage is an emphasis on ethical leadership through service. Ethical leadership celebrates the return of virtue, character and personal honor to their rightful place as the foundation of education. This commitment inspires the College's interdisciplinary liberal arts and professional curricula, which equips students to live with integrity, to promote justice, and to seek the truth in their professions and communities.

Service opportunities complement academics and student life while fostering a culture of learning informed by charity. In the Service Learning Program, students apply classroom knowledge while volunteering in social and environmental settings to feed the hungry, build homes for Habitat for Humanity and comfort the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. In serving others, students cultivate a greater understanding of social problems, an appreciation for the cultural diversity of other people, as well as a commitment to volunteerism and an understanding of its connection to citizenship.

Campus Ministry infuses all aspects of faith into the Mount's culture and celebrates spiritual exploration. Faith sharing programs, Mass, retreats, and other planned events help awaken and deepen an awareness of God's love and presence within the campus community. Inspired by Catholic social teaching, Campus Ministry encourages students to identify their gifts and to use them for the common good through activities such as Pizza and Ponder, Homelessness Awareness Week, and 30-Hour Famine.

## 2012 Season Outlook

Jeff Bumiller returns to the Lions for the 2012 season as the head coach after a brief hiatus to spend time as a head coach at the high school level. Coach Bumiller was previously with the Lions as an assistant coach back in 2008-2009.

Coach Bumiller's main focus this season is to overcome the challenges of the head coaching change by getting to know the student-athletes very well early on in the season as well as them getting to know him and his coaching style. Coach Bumiller will be leaning heavily on the seniors and juniors to help with the transition and to maintain a positive team attitude as Bumiller was an assistant coach with the Mount when they were freshmen.

"We need the seniors to step up and help smooth the transition from coach to coach," Bumiller states. "They are the key to getting all the guys on board."

Coach Bumiller wants the team to pick up where they left off last season, and win the Midwest Lacrosse Conference (MLC) championship, which would qualify the Lions for the NCAA tournament. Last season was the Mount's most successful season since the program's inception in 2007 finishing 10-7 overall, 6-2 in the MLC (good for a second place tie) and getting to the conference championship match where they were defeated by Adrian College, 19-10.

The 2012 squad returns numerous playmakers from last season's talented team. Offensively the Lions return plenty of production and goal scorers including last year's MLC Player of the Year, Anderson Morgan. The Lions averaged about 14 goals per game in 2011, and Coach Bumiller would like to see the team continue to produce in that range.

"If we can continue to score 14 goals per game that should take a lot of pressure off our defense where we graduated two starters and our goalie," says Bumiller. Last season the Lions gave up nearly 10 goals per game, but Bumiller would like to get that number down to eight or nine goals per game, and he expects sophomore Jared Crowley to be the anchor on defense. Bumiller thinks Crowley's experience on defense will help the team's defense get on the same level as their offense.

Other important returners for the Lions include Chris Uselmann and Cory Wojciechowski, who ran together on offense last season and will play a big part of the offense this year as well. Senior Mike Murphy and junior Will McClanahan will be on the attack, too, this season for the Lions. Coach Bumiller hopes to see the freshmen, sophomores, and juniors step up and make valuable contributions to the team this spring, too.

The Mount plays a tough non-conference schedule this season going up against Wittenberg University, Ohio Wesleyan University, and Denison University; all teams that qualified for the NCAA tournament last season and are consistently top 10 programs.

"Playing teams like Wittenberg, OWU, and Denison is a better barometer for us to gauge our program," says Bumiller.

The 2012 season conference schedule begins with rival Adrian College, a team that the Lions have never beaten before (0-5 all-time). Coach Bumiller thinks knocking off Adrian in the first match would be a huge stepping stone for the team and program.

"Winning against Adrian would be big for this team," Bumiller adds. "It would give the Mount its first win against them, and would also be a big conference win to start the season off."

Mount midfielder Cory Wojciechowski, an All-Conference Honorable Mention selection last spring, returns in 2012 for his third season.

## HEAD COACH JEFF BUMILLER

Jeff Bumiller begins his first season as head coach of the Lions' men's lacrosse program in 2012. Bumiller is a former Mount men's lacrosse assistant coach, a position he held during the 2008 and 2009 seasons under former head coach Pat Kennedy.

After leaving the Mount following the 2009 season, Bumiller was the assistant boys' coach at Moeller High School in Cincinnati, Ohio. Coach Bumiller also has coaching experience at Indian Hill High School in Cincinnati, where he was the varsity head boys' lacrosse coach in 2007, and varsity assistant boys' lacrosse coach. He was also an assistant varsity coach at Moeller and a head coach at St. Xavier High School, from 2001-2004. He was the 2001 Ohio High School Lacrosse Association Coach of the Year.

Bumiller has been a member of the Cincinnati Men's Lacrosse Team in the Midwest Cities Lacrosse Club League since 2000.

The Lions first-year coach is a 1998 graduate of the College of Wooster, where he was a three-year starter, four-year player and senior captain. Bumiller, who has a bachelor's degree in history from the College of Wooster, is currently pursuing a master's degree from Xavier University.

While in high school, the Moeller graduate was a three-year varsity starter helping his team to the 1992-1993 state championships, as well as being named an All-State Selection in 1993-1994.

Coach Bumiller resides in Cincinnati, Ohio, with his wife Shanna and two daughters.
