College Profile

What is the College of Mount St. Joseph educational experience? It's learning through action – serving others, graduate-level research, paid co-op positions, and leadership development. It's a Catholic liberal arts education that helps you develop the knowledge to make a difference and the integrity to lead others.

The foundation of a Mount education comes from career-minded academic programs combined with dedicated support service and a 12:1 student-to-faculty ratio. New on campus this year is a minor in Sustainability, Nursing Learning Labs and Biochemistry Lab.

At the Mount, you're encouraged to take your lessons outside of the classroom, into the community. Through the Service Learning program, students earn academic credit while volunteering to feed the hungry, building homes for Habitat for Humanity, or comforting the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. The Cooperative Education program, available for all majors, is a way for students to gain valuable, paid career experience while validating their choice of a major.

Student-athletes are among the Mount's most active leaders on campus. Competing in the Heartland Collegiate Athletic conference, the Mount fields more than 20 NCAA Division III sports teams. Students also participate in 40 student-run clubs and organizations including Student Government Association and Black Student Union.

The Mount is committed to working with students to explore all financial aid options, especially eligibility for financial assistance including scholarships. In 2010-2011, 96% of full-time freshmen received some sort of gift aid; more than 18 million dollars in grants and scholarships were received by Mount students.

Students of the College of Mount St. Joseph greatly benefit from the rich heritage and traditions of Cincinnati. While the College is situated 15 minutes west of downtown, employment, arts and entertainment are never too far away.

Numerous Fortune 500 and Fortune 1000 companies are headquartered in Cincinnati. Procter & Gamble, The Kroger Company, and Fifth Third Bank, among others, contribute to Cincinnati's foundation while Cincinnati Children's Hospital Medical Center is among the nations' top children's hospitals. Mount Cooperative Education students are hired by more than 100 hospitals, businesses and nonprofit organizations of Greater Cincinnati.

Boasting a vibrant commitment to the arts, Cincinnatians enjoy the Contemporary Arts Center, Cincinnati Art Museum, Aronoff Center, Cincinnati Playhouse in the Park, Music Hall, and a varied supply of art galleries. Mount students often incorporate Cincinnati's art exhibits and performances into their studies.

Cincinnati knows sports. The Cincinnati Reds, the Major League Baseball team, and the Cincinnati Bengals, of the National Football League, provide competition, entertainment and emotion for the city's sports fans. Co-op and volunteer opportunities with these organizations are often available to Mount students. Cincinnati is also home to the Flying Pig Marathon every May and the Master's and Women's Open tennis tournament every August.

Historical neighborhoods such as Mount Adams, Clifton and Over-the-Rhine make good architectural and cultural adventures, while additional entertainment options are just across the Ohio River in Newport, Covington and Mainstrasse of Northern Kentucky.

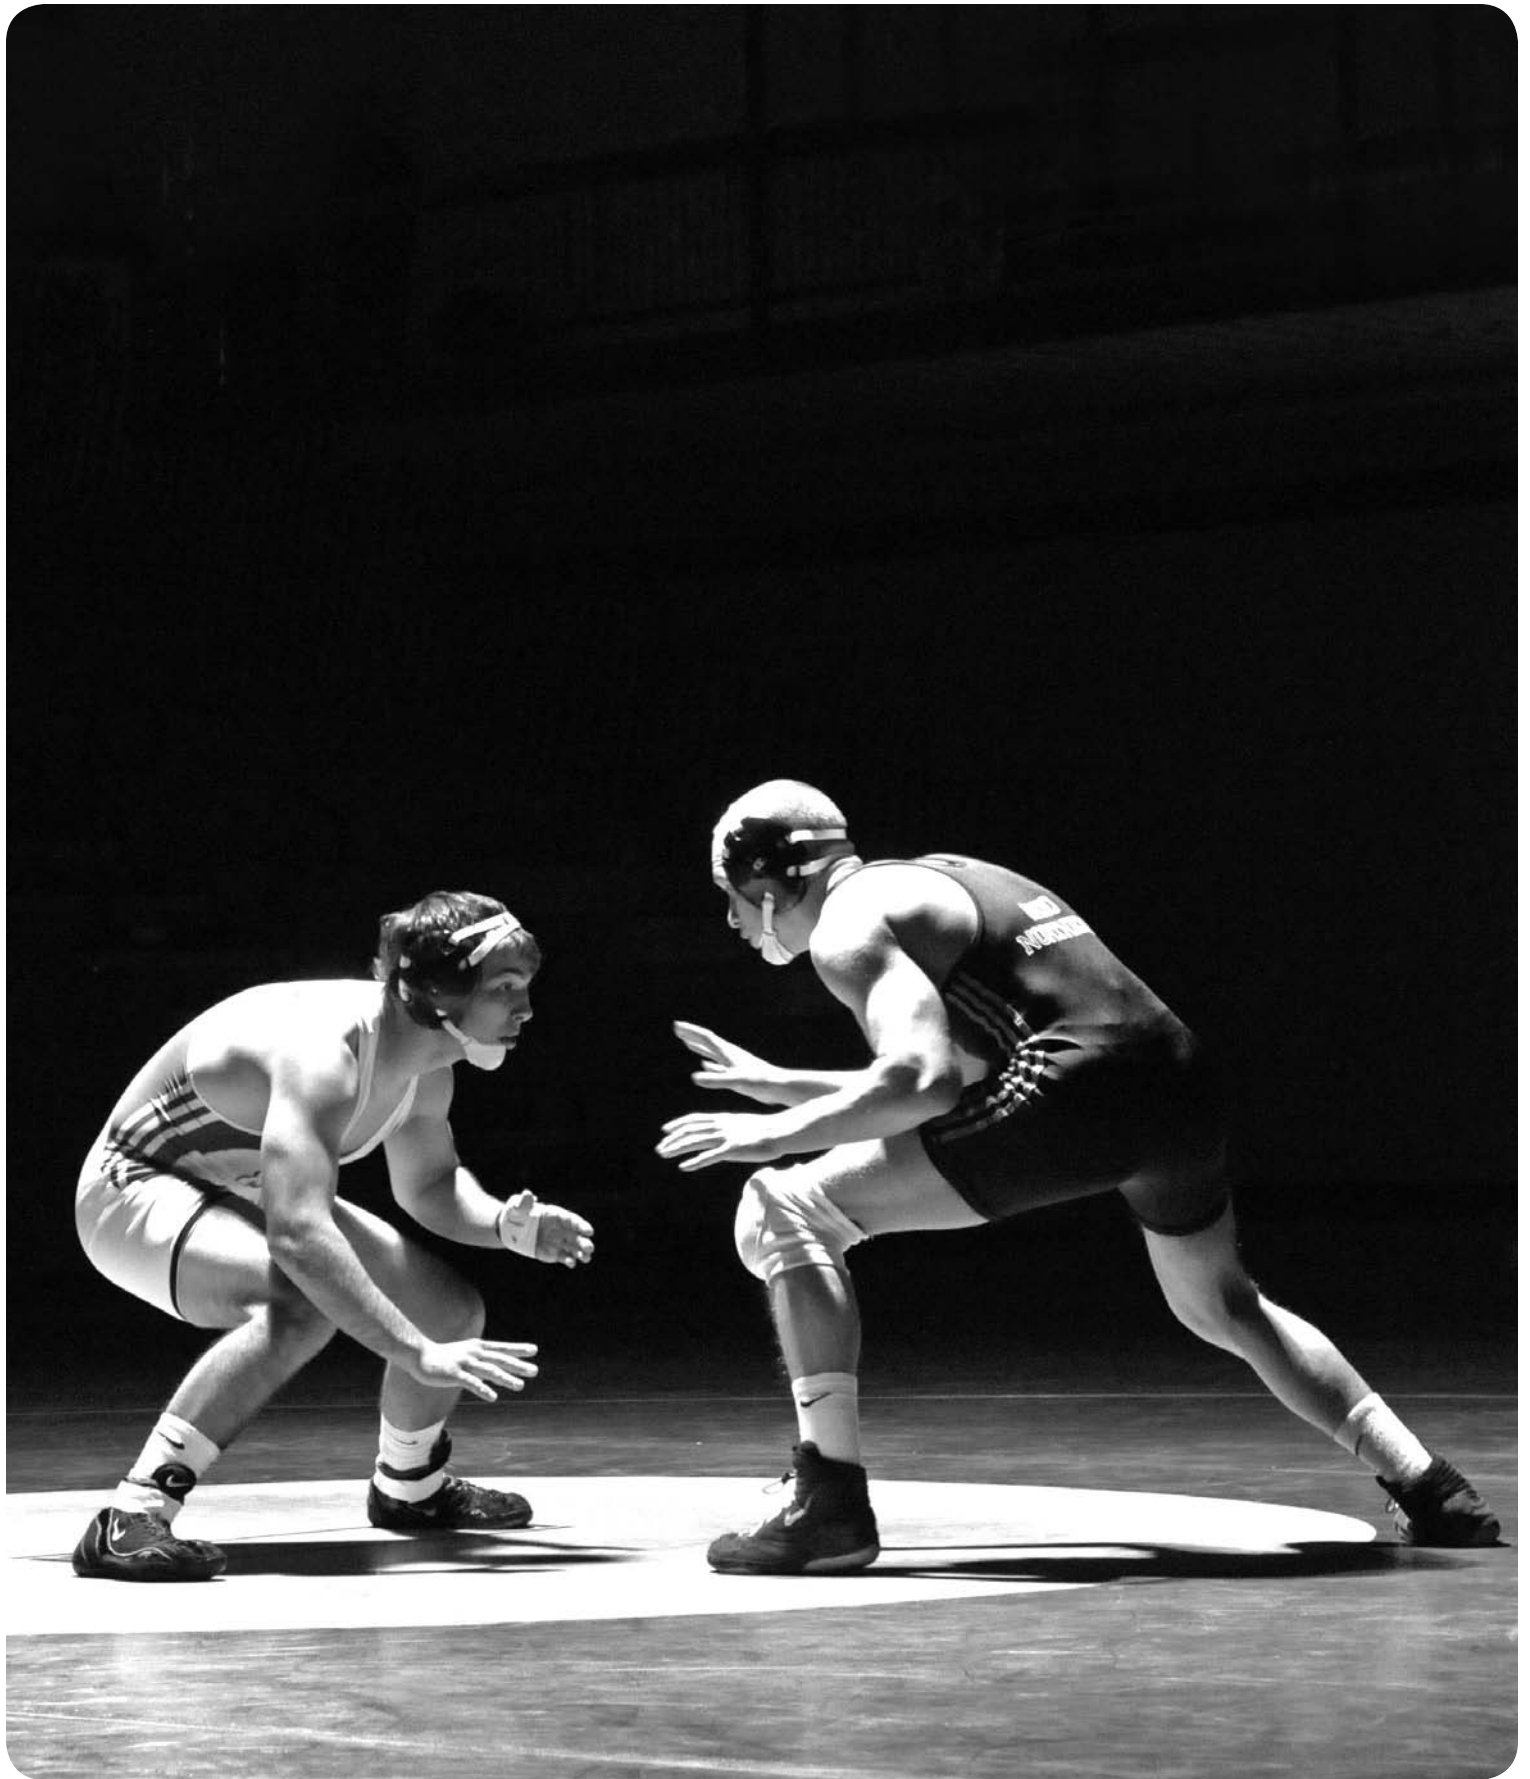

Mission in Action

The College of Mount St. Joseph is a Catholic academic community grounded in the spiritual values and vision of its founders, the Sisters of Charity. At the heart of the Mount's mission and heritage is an emphasis on ethical leadership through service. Ethical leadership celebrates the return of virtue, character and personal honor to their rightful place as the foundation of education. This commitment inspires the College's interdisciplinary liberal arts and professional curricula, which equips students to live with integrity, to promote justice, and to seek the truth in their professions and communities.

Service opportunities complement academics and student life while fostering a culture of learning informed by charity. In the Service Learning Program, students apply classroom knowledge while volunteering in social and environmental settings to feed the hungry, build homes for Habitat for Humanity and comfort the elderly. The Cultural Immersion program offers the chance to live, learn and work amidst other cultures. In serving others, students cultivate a greater understanding of social problems, an appreciation for the cultural diversity of other people, as well as a commitment to volunteerism and an understanding of its connection to citizenship.

Campus Ministry infuses all aspects of faith into the Mount's culture and celebrates spiritual exploration. Faith sharing programs, Mass, retreats, and other planned events help awaken and deepen an awareness of God's love and presence within the campus community. Inspired by Catholic social teaching, Campus Ministry encourages students to identify their gifts and to use them for the common good through activities such as Pizza and Ponder, Homelessness Awareness Week, and 30-Hour Famine.

2011-2012 Season Outlook

Mount Head Coach Casey Stouffer begins his fifth season this winter looking to continue the team's dominance of the HCAC and build upon last season's accolades, which include a third place finish at the Manchester College Spartan Mat Classic, and HCAC Championship; second place at the Mid-States Championship; and a fourth place finish at the NCAA Division III Midwest Regional Tournament.

The Lions have won four straight HCAC Championships, and Stouffer is preparing his team to make it five straight. Stouffer, winner of four straight HCAC Coach of the Year awards, is excited for this season as he has a good mix of youth and returners. The team returns 12 athletes from the 2010-2011 season, five juniors and seven sophomores; and will be complemented by 12 newcomers as well as the addition of Tim Pope, the lone senior on the squad. Pope wrestled for the Lions during the 2008-2009 and 2009-2010 seasons.

On top of winning the HCAC for the fifth straight season, Coach Stouffer wants the team to finish in the top two at regionals and have at least three national qualifiers. In order to make these goals become a reality, "the team needs to pick up the intensity during workouts and be on the same page; they need to work together as a team," Stouffer states.

Stouffer expects the strengths of his team to help push the team forward, and improve upon last season's results. Having upperclassmen is a key strength for this year's team, he adds. The upperclassmen will be looked upon to provide strong leadership and to help guide the underclassmen. Upperclassmen also bring valuable experience to the mats - experience that cannot be taught, adds Stouffer. The Lions couple a strong returning

group of wrestlers with a good recruiting class, which includes Indiana High School State runner-up, Nick Manning (165/174).

Along with having a team fully-loaded with accomplished wrestlers and a solid starting lineup, Stouffer also mentions that the Lions' conditioning is typically better than its opponents. "We have a solid team with a good mix of upper and lower classmen, and not many weak spots, so we have a good shot at placing in the top two at regionals," says Stouffer.

Junior Tommy Fehring (157) is among those that Stouffer has high expectations for this coming season. Fehring led the Lions in wins last season with 34 and Stouffer believes that Fehring has a legitimate shot at competing at the National Tournament this season. Other returners that Stouffer expects to make a big impact this winter are junior Sean Brooks (285), Pope (165), junior Nolan Karwoski (184), and sophomore Joe Conrad (149). Pope took third place at regionals during the 2009-2010 season, while Brooks placed third at regionals during the 2010-2011 season.

Coach Stouffer also has his eye on a few incoming wrestlers that could make a significant impact for the Lions this season. Freshmen Eddie Sanders (133), Will Bryant (125), and Nick Manning (165/174) along with sophomore Alec Camp (197), who also plays for the Mount's football team, are all capable of holding down starting spots in 2011-2012, according to Stouffer.

The Lions begin their season on November 5, 2011 at the Eastern Michigan University Open in Ypsilanti, MI. They will be hosting three home duals this season and also the Mid-States Championship.

Lions' junior wrestler Tommy Fehring was a Midwest Regional Champion in the 2010-2011 season.

2011-2012 Coaching Staff

HEAD COACH CASEY STOUFFER

Casey Stouffer returns for his fifth season in 2011-2012 as Lions' head coach. Stouffer, a 2001 Mount graduate and former Lions' wrestler, took over the Lions' program for the 2007-2008 season. He has won the HCAC Coach of the Year honor the past four seasons and following his first season at the Mount he was named

Mid-States Coach of the Year.

The Southwood (Indiana) High School graduate holds a Master of Science in Education Administration degree from the University of Scranton and a Colorado teacher certification in health/physical education (K-12).

While at the Mount, Stouffer was a letter-winner in the sport each of the four years, and was a three-time team captain. He also played on the Mount's tennis team for one season. While at the Mount, Stouffer was a member of FCA (Fellowship of Christian Athletes), the founder of Huddle at MSJ, and was affiliated with the Mount Education Association and NEA (National Education Association). Stouffer also made Dean's List at the Mount three times and was a NCAA Division III Scholar Athlete All-American (1999, 2000 and 2001).

After graduation from the Mount, Stouffer trained at the Olympic Wrestling Training Center in Colorado Springs, Colo., was a world champion in folkstyle wrestling (2002), an Ironman world wrestling champion (2002), and placed sixth at the Greco-Roman World Team Trials (2002).

Stouffer was a coach/counselor at the FCA Wrestling Camp and Ohio State University Wrestling Camp (1999), as well as a retreat counselor for four years for Fellowship Christian Athletes. He was a teacher and head coach at Amelia High School (2002) before moving to Colorado Springs, CO. During his time in Colorado, Stouffer was a physical education teacher at Colorado Springs Christian School and a health/physical education teacher at Lewis Palmer High School for four years. He was also the varsity head wrestling coach at Lewis Palmer High School for four seasons.

Coach Stouffer, his wife, Jessica, and daughters, Jada and Ava, reside in Cincinnati, Ohio.
